LCAP Goals

LCAP Goal 1. Increase academic achievement through quality instruction and technology integration in a broad course of study delivered by highly qualified teachers on a safe, clean, and well maintained school campus.

- Implementation of standards aligned K-8 ELA curriculum
- Ongoing staff learning promoting effective teaching strategies
- Upgraded (and still upgrading) wireless system
- Putting more devices in the hands of students

LCAP Goals

LCAP Goal 2. Increase academic achievement through targeted support, intervention, and enrichment for all students including Special Education, English Learners, Foster Youth, and Low Income students using data derived from multiple assessments to measure student progress, guide instruction, and improve professional practice.

District Focus Goal - LCAP Goal 2.b.

SBAC scores for all students will increase by 5% in both ELA and Math (as measured by assessment data).

Early signs are positive...

- NWEA MAPs: Fall '18 to Winter '19
 - ELA
 - All grades 3-8 (except 7th) met or exceeded growth projections (most growth in 6th grade)
 - Math
 - All grades met or exceeded growth projections (most growth in 7th grade)

LCAP Goals

LCAP Goal 3. Increase academic achievement and school climate through student, staff, parent, and community engagement, involvement, and connectedness within the school environment.

- PARENTS- Feel connected, but still fine tuning balance of events and instructional objectives
 - 100% parents and 94% of staff agree/strongly agree school welcomes parent involvement*
- STUDENTS - Meeting exceeding academic targets but need more student engagement
 - 48% of 7th graders report doing things at school that make a difference*
 - 14% of 5th graders report they are asked what they want to learn about*
- COMMUNITY - Continue to build partnerships with SD Zoo Safari Park, local law enforcement, & others

**2018 CA-HK Survey*

Ongoing Steps . . .

- Facilitating professional learning for staff with a focus on highly effective strategies to promote student well-being, student engagement, and subject mastery
- Promoting data driven decision-making for student learning
- Maximizing targeted & engaged instructional time and . . .
- **SOLICITING MEANINGFUL STUDENT, COMMUNITY, AND STAFF INPUT**
