Dear Members of the Governing Board:

The Governing Board of the Grossmont Union High School District unanimously nominated Trustee Elva Salinas as a candidate for the Delegate Assembly of the California School Boards Association, representing Region 17 in San Diego County.

Trustee Salinas was elected to the Governing Board in 2016, and has just completed her first year as a GUHSD Trustee. Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

My dedication to public education is reflected in my background, organizational membership, and ongoing professional development activities. I have developed valuable skills and experience, which support my service to the Delegate Assembly. If re-elected, I will continue my focus on strengthening the relationship between public education and CSBA, partners, legislators, business leaders, and the community we serve.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I have been a member of the Board of Trustees of the South Bay Union School District for 27 years and have held the positions of Clerk, Vice President, and President. I have also served on various District committees, including PTA (past President), PTSA, Booster Clubs, and a founding member and past President of the Education Foundation. I have also served our community as a member of the Optimist Club and LULAC. I have been a CSBA member for 27 years and have completed professional development, including the Masters In Governance and Master of Boardsmanship programs. I have represented Region 17 as a Delegate Assembly member for five years.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

Boards of Education are entrusted by their diverse communities to ensure that high quality education is provided to each student. CSBA provides training support, resources, and inspiration to governing boards and superintendents to maximize their effectiveness in carrying out their critical leadership functions.

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

In my nine years as a member of the Governing Board, I have been involved in the selection committee for the Superintendent, Assistant Superintendent, Director and Principal searches. I have attended many functions representing the District and Governing Board in the community as well as having attended program assemblies, open houses, and parent nights at each of the school sites. Furthermore, I have visited each classroom in the District each year. I have completed the Masters in Governance Program twice and attended the annual conferences, which have strengthened my abilities as a member of the Governing Board. I have been involved in several committees throughout the community (health care, immigration, NALEO, etc.). I have served on the committee for the City area plan, which includes affordable housing. I also serve on the Board of Directors for the San Diego Organizing Project (SDOP). With the SDOP, I worked to remove hazardous auto/body shops that were dangerously close to schools.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I am our Governing Board's liaison to the Delegate Assembly, where I have assisted several times on the validation committee for the Golden Bell Award. I have participated as Principal for a Day for the Sweetwater Union High School District. As Board Clerk, I represented our District on the South County Region Committee with the challenge of developing a common calendar. As Board President, I worked with our community on the passing of a local bond to help with upgrading our schools. I am a member of the Education Legal Alliance. I have been involved in the development of our Strategic Plan as well as in the Local Control Accountability Plan. I shall continue to serve the diverse population of the region as well as the State that advocates for this region.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

The biggest challenge facing school boards in California is the volatile funding mechanism that the State has in place for schools where we have good funding years and bad funding years. School boards are forced to make difficult decisions during tough economic times that often negatively impact students in the classroom. The lack of statewide funding and support for the building and maintenance of school facilities places the cost and support for these types of initiatives solely on the local communities. CSBA can act as a voice for change and as an advocate for districts.

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

I am interested in being a Delegate to improve the communicating between the District and CSBA. In addition, increase my knowledge as a Board Member to better serve my community.

As an active member of the community I have a good relationship with stakeholders which will benefit my ability to involve a variety of stakeholders.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I have served or currently serve as PTO President, School Site Council Representative, DAC, Preschool Liason, Fundraising Committee.

I am actively involved in the Youth Football and Cheer program for our community, currently serving at the capacity of President of the Association. I also assist our community High School program in fundraising for equipment, new uniforms and additional gear.

Completed the Masters in Governance and attend several CSBA Conferences throughout the years.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

One of the biggest challenges our district faces is the stakeholders understanding the role of the Board Members and the difficult decisions that are required with always putting children first. Also, being able to manage the budget when changes eventually affect our district.

CSBA can help in addressing these challenges by providing training and communications to all stakeholders.

I have completed the California School Boards Association Masters in Governance Program and will continue to gain insight by seeking every opportunity to be informed and continuing to learn. I am ready to fulfill a critical governance role within the Association as a delegate.

Please describe your activities and involvement on your local board, community, and/or CSBA.

Community involvement and a fierce desire to advocate for the students of the National School District is my main motivation for having sought election to the National School District Governing Board. During my first few years as a school board member, I have dedicated a great deal of time educating myself and gaining skills that will help me make informed decisions for the beterment of our students and our district.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

I see the allocation of school districts' limited resources as the biggest challenge facing most governing boards. There are many additional programs and projects that would benefit our students, but there is only "one pot of money" and many essential financial responsibilities pertaining to running a district that must be considered. CSBA can help governing boards by continue to foster effective relationships with the Legislature, the Governor's office, Congress, the White House, administrative agencies and educational organizations to provide us the latest news and facts so that we can render effective local policy decisions that affect our districts.

Assembly. I am an activist, organizer, scholar, and listener. I am a product of public education. My education began in a chicken shack that my parents converted to a one room school house for my cousins and myself because the Klan had burnt down the segregated school for Black students. I believe in quality public education for all students regardless of zip code, socio-economic status, sexual orientation/gender identity, or degree of skin melanin. As an educator, my passion has always been my classroom. I pride myself on the huge academic achievement strides of students under my tutorledge. I have had many leadership roles from Director, Youth Conservation Core; administrator and facilitator at both school sites and central district offices. I was one of the California State Board of Education Commissioners who originated, wrote. and edited the California Common Core Academic State Standards. I am a Commissioner for the Commission on Credential Proficiency Commission, State of California Board of Education. I am a team player and a team leader. I believe in social justice, economic advancement, ethnic studies and cultural acceptance for all people.

Please describe your activities and involvement on your local board, community, and/or CSBA.

As a new member of the Oceanside Unified School District Board of Trustees, I have been a sponge to absorb the operations, governance, nuances, practices, and core values of the OUSD Board of Trustees as the Board of Trustees carries out the duties and responsibilities of the core values and beliefs of our greater Oceanside Community. I am actively involved with promoting dual immersion of languages in the primary and secondary schools. I am actively involved in engaging and promoting our parents' voice by participating in the OUSD District Parent Advisory Committee to understand how OUSD's LCAP objectives and LCFF meshed/are meshing together. My primary focus is our students achieving to the very best of his/her ability in all areas of development.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

In our everchanging social, political, and economic enviroment, the biggest challenges facing governing boards are to enable and empower our public school systems to thrive - not just survive. There are a litany of challenges included but not limited to poverty and school funding, class size and teacher morale, family factors and student behavior and attitudes; technology and media literacy; ethnic studies and gender inclusiveness; social-emotional learning and bullying; trust and transparency. There is not a magic bullet nor instant panacea for any of these issues but we must be ever vigilant, mindful, creative, and think outside of the box. The underlining solvent for a huge number of these challenges is finance - mangement skills. Money is the Mother's milk in education.

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

It is my interest to become a CSBA delegate for multiple reasons. First, I am committed to providing advocacy on behalf of children and public education. Second, I am interested in serving on strengthening lines of communication among CSBA and local board member and school districts. Furthermore, supporting policies that advocate for the success of stakeholders in education it's my calling. As an educator, school administrator and school board member, I bring multiple skills to the delegate assembly. I am well versed on instruction, leadership and team building.

Please describe your activities and involvement on your local board, community, and/or CSBA.

As a school board member I am involved on ensuring our School District continues to provide a world-class education to our students. I am a member of the Special Education Advisory Committee and work with multiple stakeholders on ensuring our most vulnerable students continue to receive supports that would ensure their academic progress. Additionally, I visit school sites and meet with different groups of people to monitor the morale and safety of our school environments.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

There are multiple challenges that confront governing boards today. The lack of resources and districts' inability to provide equity among all students continues to be major concerns. CSBA, through its strong policy direction and communication, provides support to public education's leadership. In addition, CSBA commitment to students' advocacy ensures school districts and board members receive the tools to materialize their visions.

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

I'm interested in being a delegate because I feel it is a great way to continue to learn and grow as a board member. It is the best way to stay informed, to network and to share information with other members across the state. I am a retired teacher from the district that I now serve so I would bring a unique perspective to the committee.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I have just completed my first year as a board member and have already contributed to making positive changes in our district. For example, reinstating participation in employee recognition at the local and county levels. I grew up in the community, attended the schools as well as taught for 23 years. I am an active volunteer in my church as well as in a sixth grade classroom weekly. I have attended two of the CSBA conferences as well as the new board member training.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

One of the biggest challenges facing governing boards will be the impact of pension cost increases. Pension costs are set to triple by the year 2024 and most districts are going to have to rely on their reserves to cover the costs. Many programs with be either reduces or cut entirely. CSBA urges additional funding from the state as well as keeping the delegates informed on the latest information effecting their districts.

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

Having served the Region #17 Delegate Assembly (DA) for the last 3 years has been a rewarding and invaluable experience. I'm interested in continuing to serve my region because the members of DA provide critical information to CSBA about our regional concerns and issues. I feel it's important to continue providing the North County coastal perspective to ensure our students' needs and issues are properly addressed. The Region #17 delegates work hard and collaborate to use our strong relationships with local legislators to advance CSBA's legislative priorities. I want to continue this work and build on recent successes such as, the school energy coalltion, which brought together over 39 districts in the region to advocate for lowered energy costs and fair rates for solar schools. On the state-level, our delegates helped provide information and insight about the adverse impacts of the reserve cap on local budgets. After 3 years of working with our legislators, CSBA successfully passed legislation that greatly minimized any future impact.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I am currently serving on two PTA executive boards as parliamentarian and legislative chair. I am the parent co-leader of my daughter's competitive show choir team. I am currently serving as secretary to the Executive Board of the San Diego CA School Boards Association. In addition to serving on Delegate Assembly, I serve as CUSD's representative for the CA suburban school district legislative team and as a district audit committee member. I am the education committee chair of our local League of Women Voters. I've also served for 3 years as site validator for CSBA's Golden Bell award.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

I believe the biggest challenge facing governing boards today is the lack of adequate funding for growing fiscal issues such as, escalating employment costs, pension liabilities, loss of federal funding, and the growing costs of technology, transportation and Special Education. I believe CSBA is poised to help local boards address these challenges through coordinated legislative action and a growing grass-roots program. I am a proud supporter of CSBA and I ask for your vote to continue serving our region as a delegate. Thank you.

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

Becoming a CSBA Delegate would help me grow as an educational advocate by providing me the environment to learn more about legislation affecting education. My extensive experience as an educator, PD coordinator, and program coordinator at the Community College level makes me a valuable asset to CSBA. I have been a professor at San Diego City College for 34 years, teaching Cosmetology (CTE) for 16 years and English/Chicano/a Studies for 18 years. Our students feed to us from the lowest socio economic regions in our city and are the most diverse population of any college in our region, so I know the importance of integrated student services and academic support programs, including student centered pedagogy/andragogy, and project based learning to ensure student success. For the last 15 years I have coordinated PD programs, ensuring the conscientious implementation of multiple state mandated initiatives, federal, state grants. As a CSBA delegate I would support and advocate for more PD for all staff members, culturally relevant and experiential education for our students, and adequate funding for our schools.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I have attended 2 CSBA Conferences since I was elected to office last year. Working alongside the Superintendent, his staff and seasoned board members ensured that I learn everything I needed to know to make well-informed decisions. I toured most of our 13 high schools and other sites, officiated four graduations, attended several award and represented our board on the District English Learner Advisory Committee. I participated in the 4th Annual East County Educational Alliance Summit; this coalition was created by the Grossmont-Cuyamaca Community College District and the Grossmont Union High School District to provide East County high school students a more direct path to college and a career. The San Diego Performing Arts League awarded me with the Star Award for bringing more than 3000 underserved students to the La Jolla Playhouse; recently I helped coordinate an LJP theater experience on the UCSD campus for students in our district. Most recently I was included in the book Chicana Tributes: Activist Women of the Civil Rights Movement-Stories for the New Generation for the work I have done in the immigrant rights communities.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

The biggest challenge facing governing boards is the lack of public school funding to provide first-rate education that prepares our students for a culturally diverse, technologically sophisticated and global society. Our teachers, staff and administrators are being asked to do more and more with fewer and fewer resources. Accountability to the state is high and fiscal support is very low. In our district, inadequate charter schools are taking resources sorely needed by our schools; stricter regulation is needed. State funding timelines and monetary fluctuations, always a guessing game, makes it impossible to create a solid 5-year education plan or fiscal consistency. It is imperative that CSBA advocates an increase and adequate revenue for public education and charter school accountability through upcoming legislation.

Assembly. After 24 years as a Governing Board Member in the National School District, I feel that I have many years of expertise to offer. After attending CSBA's Annual Education Conference for all these years I've found that there is always something new to learn and I still look forward to attending. I've participated in three different Superintendent searches. and I've been involved in negotiations with our local bargaining units and have sat at the table as well. I've also participated in numerous Superintendent evaluations. As a retired Job Development Specialist I've sat in on many interviews for Principals and Administrative staff. I've also served on our Chief of Police's Advisory Committee and several other capacities with our local law enforcement. I've served on many Boards of Directors including the National City Chamber of Commerce, American Cancer Society, Boys & Girls' Clubs, Little League baseball, Girls' Softball, Band Boosters, Quarterback Club and many others. I've also served on our Congressional Advisory Committee in several capacities as well as the Superintendent's Advisory Committee at the secondary level.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I've served as Board President on more than one occasion as well as Chairperson of the South Bay Region Boards of Education which consisted of four elementary school districts, two high school districts, and the community college district. I'm currently on the district Fundraising Committee and served on a committee which evaluated our Family Resource Center. I also served on our Uniform Adoption Committee in the past and our Zero Tolerance Committee. I formed and chaired our district's Safe Routes to Schools committee and recruited community members, city leaders, teachers, and Principals. We were able to bring in \$4.5 million to our small town and received high praise from the state level for our collaboration with the community. Throughout my tenure on the Governing Board I have been a constant supporter for fine arts for our children and will continue to be.

I have completed the Masters in Governance Program and attended the annual conference, which have strengthened my abilities as a member of the GoverningBaord.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

The elephant in the room is the constant lack of funding at the state level. This has been going on the entire time I have served on the board. CSBA did an excellent job of hosting our gubernatorial candidates at the last conference which was ideal in bringing to their attention, the need for more money for our children. It provided us with an opportunity to get their attention and see what a dynamic force we are as champions for our children. It reminds me of our Joint School Boards Coalition when we got the attention of our local leaders by joining forces and showing them the strength of the population that we serve and how we best represented their constituency. CSBA's Legislative Day is a great opportunity to meet with our local representatives and I feel that we should expand on that and meet with them regularly so that they fully understand the needs in our individual communities.

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

I have served as a Delegate for Region 17 for 2 years and on the Solana Beach School District Board for 15 years. During this time I have been involved in a wide variety of education and local governance issues. I want to bring my record of leadership and advocacy to continue to represent Region 17. As a board member, I have been involved in our Regional Legislative Action Network and accompanied our superintendents to Sacramento to meet with legislators over issues concerning education in California. I have also represented our district on joint education committees with the mayor and members of the Solana Beach City Council and San Diego City Council members. Since 2002 I have been an active member of CSBA attending workshops, continuing education and annual conferences. I completed the CSBA Masters in Governance training. I have also attended the Coalition for Adequate School Housing (CASH), Small School District Association (SSDA), National School Board Association (NSBA) and California Women Lead Annual Conferences.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I currently serve on the Region 17 Delegate Assembly and San Diego School Board Association. I participated in the 2017 Golden Bell Award site visits, serve on the 2018 CSBA Nominating Committee and member of the 2017 Honoring Our Own Gala Committee. As an active leader in education, I have been involved as a volunteer and advocate for the past 18 years. Initially serving as a classroom volunteer, PTA member, Foundation and School Site President, I was elected to the board in 2002. During my tenure on the board I have served as Board representative to various district and regional committees including North County Consortium for Special Education (NCCSE), San Dieguito Alliance for Drug Free Youth, District Wellness Committee, Child Nutrition Focus Group, Facilities Master Planning Committee, District Envision Team, District Recycling Committee and Design Committees for Skyline and Solana Vista Elementary. In 2016 I was nominated for ACSA Region 18 School Board Member of the Year for work in STEM education and innovation. Our STEM program received a 2016 Golden Bell Award. I have been involved in many volunteer and community service activities.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

The biggest challenge facing governing boards is the recent concurrent amount of change effecting students and education in California as well as the continued fight for adequate state funding. New standards have challenged districts to train and support staff in new curriculum and implementation for the classrooms. Our new student assessment system challenges districts and board members to understand and interpret results for improvement and celebration. Changes to the way school districts are funding through the Local Control Funding Formula (LCFF) and development of a strong Local Control Accountability Plan (LCAP) are also a current focus for board members. CSBA has been at the forefront of these changes and continues to provide information, education and support for districts and board members in their efforts to face the staggering amount of changes in education while focus on a positive vision for the future. With opportunities for collaboration, education, and communication CSBA helps by providing support of focused strong leadership for board members during this time of change.

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

It is an honor to serve as a CSBA delegate, helping to formulate policy for the association, as well as assisting school boards throughout California in their vital work. I am a passionate advocate for public education, having traveled numerous times to Sacramento with CSBA, and to Washington, DC with NSBA to advocate on behalf of public education. I am a "big picture" thinker, and make decisions within that context in order to ensure that our actions benefit the greatest number of students. I am an articulate speaker, and hav experience in dealing with the media.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I have served on the EUSD Board for 19 years. During my tenure I have been Board President four times. As noted above, I have attended legislative advocacy sessions as part of both CSBA and NSBA. I am a continuous learner, having completed the Masters in Governance program. I have consistently attended CSBA's AEC, as well as numerous NSBA Conferences, and have presented at both. I also attended CSBA's inaugural Leadership Conference.

I have a long history of leadership in my community, having served as school site council chair, PTA Legislative Vice President and long-term Girl Scout leader.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

We must continue to defend and promote public education as the keystone of a democratic society. We must ensure that public education is adequately funded in California, so we can provide the world class, forward-looking education that our children deserve.

Dear Superintendents,

The Every Student Succeeds Act (ESSA) requires that students in foster care receive transportation to their school of origin when in the student's best interest. ESSA states that this transportation can be funded one of three ways: solely by the LEA, solely by the child welfare authority, or by a cost-sharing agreement.

In support of our districts and the students in foster care we serve, the San Diego County Office of Education (SDCOE) has negotiated a cost-sharing agreement with the County of San Diego County's Child Welfare Services that satisfies this requirement and, more importantly, removes a major hurdle to school stability. LEAs may choose to be a party to the agreement, along with SDCOE and Child Welfare Services.

The details are spelled out fully in <u>this document</u>. Here are a few of the agreement's main provisions:

- SDCOE will contract with transportation providers and will fund staff to vet all referrals and exhaust all other options prior to referral. SDCOE will also provide administrative support for tracking, billing, record keeping, etc., and a full-time manager to coordinate transportation and communicate to LEAs the cost associated with this service to allow LEAs to determine if it is the most cost-effective approach. SDCOE will also cover all indirect costs of funds contributed by Child Welfare Services, County Health and HumanServices Administration, and LEAs.
- Child Welfare Services will contribute \$350,000 to cover one-third of the transportation costs when the student goes between two districts, and half of the costs within one-district boundaries.
- If LEAs choose to participate, they will contribute one-third of transportation costs when the student goes between two districts and half of costs with one-district boundaries.
- When an LEA uses its own resources to transport a student, the LEA can invoice SDCOE for \$3.13 per mile.
- The agreement, which lends itself to inclusion in Local Control and Accountability Plans, goes into effect July 1, 2018, for the 2018-19 school year.

I'd like to thank and acknowledge districts for partnering with us to identify this challenge and brainstorm solutions. I hope you will pursue board approval to participate in this cost-sharing transportation agreement by April 30, 2018.

MEMORANDUM OF AGREEMENT

Parties

This Memorandum of Agreement (MOA) is made between the County of San Diego (County) by and through its Health and Human Services Agency (HHSA) and the San Diego County Superintendent of Schools (SDCSS) and San Diego County School Districts/Local Education Agencies (SDC LEAs). The parties to this MOA may be referred to herein collectively as the "parties" or individually as a "party".

WHEREAS, this MOA is for purposes of each party complying with the Every Student Succeeds Act, Section 1112(c)(5)(B)), requiring:

"[e]ach local educational agency . . . provide assurances that it will collaborate with the State or local child welfare agency to, by not later than 1 year after the date of enactment of the Every Student Succeeds Act, develop and implement clear written procedures governing how transportation to maintain children in foster care in their school of origin when in their best interest will be provided, arrange, and funded for the duration of the time in foster care, which procedures shall:

- (i) ensure that children in foster care needing transportation to their school of origin will promptly receive transportation in a cost effective manner and in accordance with section 475(4)(A) of the Social Security Act (42 U.S.C. 675(4)(A)); and
- (ii) ensure that, if there are additional costs incurred in providing transportation to maintain children in foster care in their schools of origin, the local educational agency will provide transportation to the school of origin if (I) the local child welfare agency agrees to reimburse the local educational agency for the cost of such transportation; (II) the local educational agency agrees to pay for the cost of such transportation; or (III) the local educational agency and the local child welfare agency agree to share the cost of such transportation..."

WHEREAS, each agenciy's role is as follows:

County provides funds for certain services for youth who are under the jurisdiction of the Juvenile Court and is governed by The Fostering Connections Act, which includes school stability provisions relating to youth as defined by 48853.3 (a). County has agreed to provide funding for additional costs incurred in providing transportation to maintain children in foster care in their schools of origin when the client is without an alternate transportation plan. County has agreed to collaborate with SDCSS and SDC LEAs to provide funding in support of transportation to school of origin and its clients when an alternate transportation plan is utilized. County is responsible for those eligible students over which they have care, custody and control as vested by the San Diego Superior Court.

SDCSS is an LEA under federal law and to ensure compliance with ESSA transportation to school of origin provisions has coordinated agencies and agreed to administer a countywide transportation program, including staffing and indirect costs, to ensure that all eligible students receive transportation to their school of origin and that any additional cost is shared equally among the other parties to this agreement (County and SDC LEAs) for purposes of county-wide compliance with the ESSA. SDCSS agrees to provide coordination and oversight of the provisions in this agreement.

SDC LEAs ensure students in foster care who reside in their boundaries have access to transportation to their school of origin by providing transportation to children in foster care residing in their boundaires to their school of origin when doing so creates no additional cost to the SDC LEA, and also agreed to collaboratively fund a portion of additional costs incurred in providing transportation to school of origin, when doing so creates such additional costs, to ensure students in foster care who reside in their boundaries have access to transportation to their school of origin.

WHEREAS, this MOA is for purposes of ensuring cost effective and efficient methods for ensuring children in foster care in San Diego County have transportation to school of origin available even when it creates an additional cost to the LEA that will be shared by the parties.

WHEREAS, this MOA will provide cost sharing by SDC LEAs, SDCSS, and County of San Diego additional costs, as that term is defined herein, incurred by SDC LEAs for the SDC LEAs or SDCSS to provide students in foster care, between the ages of 8 (eight) and 17 (seventeen), with transportation to and from their school of origin. Students in foster care covered by this agreement include:

- Students enrolled in General Education Programs.
- Students served by Special Education Programs whose Individual Education Program does not include transportation as a related service.

NOW THEREFORE, in consideration of the foregoing recitals and the mutual covenants and promises set forth below, and for other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as follows:

AGREEMENT FOR LEGAL SERVICES

This agreement is by and between San Pasqual Union School District ("Client") and the law firm of Fagen Friedman & Fulfrost LLP ("Attorney"). In consideration of the promises and the mutual agreements hereinafter contained, Attorney agrees to provide legal services to Client on the terms set forth below effective November 14, 2017 through June 30, 2018:

- 1. <u>CONDITIONS</u>. This Agreement will not take effect, and Attorney will have no obligation to provide legal services, until Client returns a signed copy of this Agreement.
- 2. SCOPE OF SERVICES. Client hires Attorney as its legal representative/counsel with respect to matters Client specifically refers to Attorney. Attorney will provide those legal services reasonably required to represent Client. Attorney will take reasonable steps to keep Client informed of progress and to respond to Client's inquiries.
- 3. <u>CLIENT'S DUTIES</u>. Client agrees to cooperate with Attorney and to communicate with candor while keeping the Attorney apprised of any information or developments which may come to Client's attention, to abide by this Agreement, to pay Attorney's bills on time and to keep Attorney advised of Client's address and telephone number. Client will assist Attorney in providing information and documents necessary for the representation in the described matter.
- 4. <u>CONSULTANT SERVICES</u>. Attorney may provide consulting services in addition to or in support of the legal services provided pursuant to this Agreement, through qualified non-attorney Communication Services and Education Consultants. These services are intended to support Client with communications work or educational consultant services related to labor and employment matters, special education and student matters, high-profile litigation and settlement agreements, in addition to employee, community, inter-governmental and media relations.
- 5. EMAIL COMMUNICATIONS/CLOUD-BASED COMPUTING. In order to provide Client with efficient and convenient legal services, Attorney will frequently communicate and transmit documents using e-mail. In addition, Attorney uses a cloud computing service with servers located in a facility other than Attorney's office. Most of Attorney's electronic data, including emails and documents, are stored in this manner. Although Attorney will take reasonable precautions to keep email and other electronic data confidential and secure, because technology and cyber threats continue to evolve, there may be risks communicating and storing electronic data in this manner, including risks related to confidentiality and security. By entering into this Agreement, Client is consenting to such e-mail transmissions with Client and Client's representatives and agents, as well as to having communications, documents and electronic data pertinent to Client's matter(s) stored through a cloud-based service.
- 6. <u>COSTS AND OTHER CHARGES</u>. (a) Attorney will incur various costs and expenses in performing legal services under this Agreement. Except as otherwise stated, Client agrees to pay for all costs, disbursements and expenses in addition to the hourly fees. These include fees fixed by law or assessed by public agencies, messenger and other delivery fees, out of office copying/reproduction costs, and travel costs (including mileage charged at the standard IRS rate,

parking, transportation, meals and hotel costs, if applicable), and other similar items. The following costs shall not be charged:

| In office Photocopying | No Charge |
|--------------------------------------|-----------|
| Facsimile Charges | No Charge |
| Postage | No Charge |
| On-line Legal Research Subscriptions | No Charge |
| Administrative Overhead | No Charge |

- (b) Out of town travel. Client agrees to pay transportation, meals, lodging and all other costs of any necessary out-of-town travel by law firm personnel. Client will also be charged the hourly rates for the time legal personnel spend traveling.
- (c) Consultants and Investigators. To aid in the representation in Client's matter, it may become necessary to hire consultants or investigators. Client agrees to pay such fees and charges.
- 7. **BILLING STATEMENTS.** Attorney will send Client monthly statements for fees and costs incurred. Each statement will be payable within thirty (30) days of its mailing date. An interest charge of one percent (1%) per month shall be assessed on balances that are more than thirty (30) days past due. Client may request a statement at intervals of less than 30 days. If Client requests a bill, Attorney will provide one within 10 days. The statements shall include the amount, rate, basis of calculation or other method of determination of the fees and costs, which costs will be clearly identified by item and amount.
- **8. DISCHARGE AND WITHDRAWAL.** Client may discharge Attorney at any time. Attorney may withdraw with Client's consent, for good cause or as allowed or required by law upon ten (10) days written notice. Good cause includes Client's breach of this Agreement, refusal to cooperate or to follow Attorney's advice on a material matter or any fact or circumstance that would render Attorney's continuing representation unlawful or unethical. When Attorney's services conclude, all unpaid charges will immediately become due and payable. Following the conclusion of Attorney's representation of Client, Attorney will, upon Client's request, deliver to Client the Client file(s) and property in Attorney's possession, whether or not Client has paid for all services. If Client has not requested delivery of the files, Attorney may destroy all such files in its possession seven (7) years after the conclusion of the representation.
- 9. <u>DISCLAIMER OF GUARANTEE AND ESTIMATES</u>. Nothing in this Agreement and nothing in Attorney's statements to Client will be construed as a promise or guarantee about the outcome of the matter. Attorney makes no such promises or guarantees. Attorney's comments about the outcome of the matter are expressions of opinion only. Actual fees may vary from estimates given.
- **10. ENTIRE AGREEMENT.** This Agreement contains the entire agreement of the parties. No other agreement, statement, or promise made on or before the effective date of this Agreement will be binding on the parties.
- 11. MODIFICATION BY SUBSEQUENT AGREEMENT. This Agreement may be modified by subsequent agreement of the parties only by an instrument in writing signed by both of them or an oral agreement only to the extent that the parties carry it out.

- 12. <u>SEVERABILITY IN EVENT OF PARTIAL INVALIDITY.</u> If any provision of this Agreement is held in whole or in part to be unenforceable for any reason, the remainder of that provision and of the entire Agreement will be severable and remain in effect.
- **13. MEDIATION CLAUSE.** If a dispute arises out of or relating to any aspect of this Agreement between the Client and Attorney, or the breach thereof, and if the dispute cannot be settled through negotiation, Attorney and Client agree to use mediation before resorting to arbitration, litigation, or any other dispute resolution procedure.
- 14. <u>EFFECTIVE DATE</u>. This Agreement will govern all legal services performed by Attorney on behalf of Client commencing with the date Attorney first performed services. The date at the beginning of this Agreement is for reference only. Even if this Agreement does not take effect, Client will be obligated to pay Attorney the reasonable value of any services Attorney may have performed for Client.

THE PARTIES HAVE READ AND UNDERSTOOD THE FOREGOING TERMS AND AGREE TO THEM AS OF THE DATE ATTORNEY FIRST PROVIDED SERVICES. THE CLIENT SHALL RECEIVE A FULLY EXECUTED DUPLICATE OF THIS AGREEMENT.

IN WITNESS WHEREOF, the parties have signed this Agreement for Legal Services.

SECTION 1: AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1.1 MASTER CONTRACT

For the purpose of providing special education and related services to individuals with exceptional needs under the authorization of Education Code sections 56157, 56361, and 56365-56366.5 the Master Contract consists of (the Main Document and Master Contract Appendices A (Schools), B (Agencies), C (Room & Board). The general term "Master Contract" refers to the Master Contract //Main Document/ and Master Contract //Appendices A (Schools), B (Agencies), and C (Room and Board) given to the CONTRACTOR by a representative of the LEA's Special Education Unit on terms acceptable to the LEA and CONTRACTOR.1 It is also understood that this contract does not commit the CONTRACTOR to provide special education and related services to any individual unless and until an Individual Services Agreement is executed between the LEA and the CONTRACTOR on behalf of such individual or interim written approval is given to the CONTRACTOR by an authorized representative of the LEA's Special Education Unit. This interim written approval shall be for a maximum period of 90 days, beginning with the anticipated student start date, during which time the contract and/or Individual Services Agreement shall be completed and executed by the LEA and CONTRACTOR. If an Individual Services Agreement is not completed and executed by the LEA and the CONTRACTOR within this ninety-day period, the LEA or CONTRACTOR may request an IEP meeting to be held as soon as possible to discuss a change in placement for the pupil. The LEA shall continue to reimburse the CONTRACTOR as set forth in the interim written approval, or as otherwise agreed by the parties in writing, pending any change in placement or subsequent execution of an Individual Services Agreement.

1.2 SUPERSEDES PRIOR CONTRACTS

This Master Contract includes the Main Document, Appendix A (Schools), Appendix B (Agencies), Appendix C (Room and Board), to the extent that they are applicable, and each ISA, all of which are incorporated herein by this reference and any exhibits or attachments hereto constitute the entire agreement between the parties to this contract and supersedes any prior contract, understanding, or agreement with respect to the terms set forth in this contract.

1.3 MODIFICATIONS AND AMENDMENTS

The LEA and CONTRACTOR agree that any amendments to the contract must be in writing and approved by the LEA's Governing Board and the Board of Directors/Trustees or authorized representative of CONTRACTOR. Prior to executing a written amendment to the contract, the LEA shall obtain approval from the San Diego County SELPA Directors and the County Director of Special Education. In implementing this Master Contract, any specific terms related to an individual pupil shall be reflected in the Individual Services Agreement.

1.4 <u>INDIVIDUAL SERVICES AGREEMENT</u>

The LEA and CONTRACTOR shall enter into an Individual Services Agreement for each pupil who is to receive special education and/or related services provided by the CONTRACTOR. The LEA is responsible for completing each pupil's Individual Services Agreement, which shall identify the provider of each service required by the pupil's Individualized Education Program (IEP) or Individualized Family Service Plan (IFSP) (CCR 3062(e)). Individual Services Agreements shall only be issued for those pupils enrolled with the approval of the LEA. Changes in any LEA pupil's educational program, including instruction, services, or instructional setting provided under this contract, may only be made on the basis of revisions to the pupil's IEP or IFSP. At any time during the term of this contract, the parent, the CONTRACTOR or LEA may request a review of the pupil's IEP/IFSP, subject to all procedural safeguards required by law, including notice given to and participation by the CONTRACTOR in the IEP Team meeting. In the event that the CONTRACTOR recommends that the pupil requires either a lesser or more restrictive placement than the CONTRACTOR can provide, the CONTRACTOR will notify the LEA immediately. The LEA shall expedite the review and/or the resulting change in placement, and shall modify the Individual Services Agreement as appropriate if there is a change in the instructional and/or other services provided.

¹ Please see Appendix B for Agencies for exceptions to NPA Hired as Full Time Equivalent.

2017-2018

1.5 NONPUBLIC CERTIFICATION OR WAIVER

A current copy of the CONTRACTOR'S California Department of Education Nonpublic Certification or waiver of such certification issued by CDE pursuant to EC 56366.2 is attached hereto. This Master Contract shall be null and void if such certification is expired, revoked, rescinded, or otherwise nullified during the effective period of this contract.

1.6 TERM OF MASTER CONTRACT

Neither the CONTRACTOR nor the LEA is required to renew this contract in subsequent contract years. In the event that a pupil is enrolled with the CONTRACTOR during the term of this contract and said pupil continues to receive special education and/or related services by the CONTRACTOR as approved by the LEA in accordance with the pupil's IEP/IFSP and either (a) a new contract has not been fully executed or (b) the CONTRACTOR or the LEA chooses not to renew this contract, the terms of this contract and associated Individual Service Agreements shall apply to any and all special education and/or related services provided by CONTRACTOR and payment for those services by the LEA.

Upon agreement of both parties to this Master Contract, its provisions shall be retroactive to the beginning of this contract year (July 1st), to cover services provided by the CONTRACTOR to LEA students, unless otherwise mutually agreed upon by both parties.

The term of this Master Contract shall be from January 1, 20 18 to June 12, 20 18.

Any subsequent Master Contract is to be renegotiated prior to June 30 of each year.

This Master Contract has no force or effect until approved or ratified by the LEA's Governing Board.

1.7 COMPLIANCE WITH APPLICABLE FEDERAL AND STATE LAWS

During the term of this contract, the CONTRACTOR and LEA shall comply with all applicable federal and state laws and regulations relating to the required special education and designated instruction and services and facilities for individuals with exceptional needs, including those not expressly documented in this Master Contract.

This contract is by and between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

2.3 SUBCONTRACT AND ASSIGNMENT

The CONTRACTOR shall not enter into an initial subcontract with any noncertified Nonpublic Agency (NPA) or provider, for any of the instructional or related services contemplated under this contract without first obtaining written approval by a representative of the San Diego County Office of Education (i.e. County Director of Special Education or a SELPA Director). Such approval shall not be unreasonably withheld. The LEA and CONTRACTOR shall maintain a copy of the written approval.

2.4 INDEMNIFICATION

The CONTRACTOR hereby indemnifies, defends, and holds harmless the LEA, its Board, officers, employees, agents, independent contractors, consultants and other representatives from and against any and all liabilities, claims, demands, costs, losses, damages, or expenses, including reasonable attorneys' fees and costs, and including but not limited to consequential damages, loss of use, extra expense, cost of temporary classrooms, that arise out of or result from, in whole or in part, the negligent, wrongful or willful acts or omissions of the CONTRACTOR, its employees, agents, subcontractors, independent contractors, consultants, or other representatives.

The LEA hereby indemnifies, defends, and holds harmless the CONTRACTOR, its Board, officers, employees, agents, independent contractors, consultants and other representatives from and against any and all liabilities, claims, demands, costs, losses, damages, or expenses, including reasonable attorneys' fees and costs, and including but not limited to consequential damages, loss of use, extra expense, cost of temporary classrooms, that arise out of or result from, in whole or in part, the negligent, wrongful or willful acts or omissions of the LEA, its employees, agents, subcontractors, independent contractors, consultants, or other representatives.

The CONTRACTOR shall have no obligation to indemnify, defend, or hold harmless the LEA, its Board, officers, employees, agents, independent contractors, consultants, and other representatives for the LEA's sole negligence or willful misconduct; and the LEA shall have no obligation to indemnify, defend, or hold harmless the CONTRACTOR, its Board, officers, employees, agents, independent contractors, consultants and other representatives for the CONTRACTOR'S sole negligence or willful misconduct. This indemnity shall survive the termination of the Contract or final payment hereunder, and is in addition to any other rights or remedies that the CONTRACTOR or LEA may have under the law or this contract.

2.5 INSURANCE

During the entire term of this contract and any extension or modification thereof, the CONTRACTOR shall keep in effect a policy or policies of general liability insurance, including contractual liability coverage, professional liability, and auto liability coverage of owned and non-owned vehicles used by CONTRACTOR in relation to the performance of service(s) under this Master Contract, with minimum limits of one million dollars (\$1,000,000) per occurrence, and three million dollars (\$3,000,000) in aggregate. Such insurance shall name LEA as an additional insured, and an endorsement evidencing such coverage shall be provided within 90 days, only as to matters arising out of this Master Contract for which CONTRACTOR has an obligation to indemnify the LEA, under the Indemnification clause, Section 2.6, of this Master Contract.

Not later than the effective date of this contract, the CONTRACTOR shall provide the LEA with satisfactory evidence of insurance. The insurance maintained by CONTRACTOR shall include a provision for the insurance provider to send written notice of cancellation or modification to the CONTRACTOR at least 30 calendar days before cancellation or adverse material change, or 10 days for nonpayment of premium. Such CONTRACTOR'S insurance may contain the same notice requirement for the LEA. If the insurance provider is only required to send such notice to the CONTRACTOR (but not the LEA) CONTRACTOR shall provide the LEA written notice of cancellation or adverse material modification within one business day after receiving such notice from the insurer. Such notice shall be provided pursuant to Section 2.3 (Notices) of this contract. The CONTRACTOR shall at its own cost and expense procure and maintain insurance under the applicable state's Workers' Compensation laws. Failure to maintain the above mentioned insurance coverage shall be cause for termination of this contract.

2017-2018

LEA warrants that it is self-insured in compliance with the laws of the State of California, that the self insurance covers persons acting on its behalf or under its control, that its self insurance covers LEA's indemnification obligations to CONTRACTOR under this contract, and that LEA agrees to provide coverage to CONTRACTOR pursuant to this self insurance in the event the indemnification obligations of Section 2.6 of this contract are triggered. The LEA further warrants that it shall notify the CONTRACTOR pursuant to Section 2.3 (Notices) of this contract, of any material insurance coverage changes at least thirty days prior to the change.

CONTRACTOR agrees that any subcontractor with which it contracts to provide services pursuant to any Individual Services Agreement, shall submit written proof of insurance in a minimum amount of \$1,000,000 per occurrence, including general, liability, auto liability (if applicable), and professional liability (if applicable). Such insurance shall be maintained by any subcontractor for the scope of duties performed and duration of time it provides services to LEA pupils. Proof of insurance shall be provided to the LEA prior to the beginning of transportation services by a subcontractor, and upon renewal of coverage thereafter. Transportation subcontractors shall submit copies of insurance policies upon request of the LEA; otherwise, certificates of insurance may be acceptable proof, provided that the information thereon is adequate and verifiable. Subcontractors shall be required to provide to the CONTRACTOR written notice of cancellation of insurance or adverse material change in such insurance at least 30 days prior to cancellation or adverse material change or within one business day after receiving such notice, whichever is earlier.

2.6 TRANSPORTATION

The CONTRACTOR shall provide each pupil whom the CONTRACTOR transports with adequate supervision during transports and with instruction in school bus emergency procedures and passenger safety, as appropriate to the pupil's needs. The CONTRACTOR shall have in place a transportation safety plan containing procedures for school personnel to follow to ensure the safe transport of pupils.

In the event the CONTRACTOR transports students due to health, behavior, or other emergencies, or as otherwise agreed to between the CONTRACTOR and the LEA, the LEA shall reimburse CONTRACTOR at the rate specified in this Master Contract (Rate Schedule - Schools: Section 4.1, Agencies: Section 5.1).

If any provision or portion of a provision of this contract is held in whole or in part to be unenforceable for any reason, the remainder of the provision and of the entire contract shall be severable and shall remain in effect.

SECTION 1: EDUCATIONAL PROGRAM

1.1 <u>ADMISSION/ENROLLMENT PROCEDURES</u>

Prior to the CONTRACTOR deciding whether or not to enroll a pupil, the LEA shall provide the CONTRACTOR a copy of the pupil's current IEP/IFSP, and facilitate an observation of the pupil, data gathering from the current or prior education providers, and any other reasonable information gathering CONTRACTOR wishes to undertake prior to making an enrollment decision. The CONTRACTOR retains the right to decline enrollment of any pupil and nothing in this contract shall be construed to limit this right.

If a pupil is being considered for enrollment, his or her IEP/IFSP shall be reviewed in collaboration with the LEA, CONTRACTOR, parents, and other invited participants, as appropriate.

The CONTRACTOR shall notify the LEA of its decision to decline enrollment or the effective date of enrollment of the pupil in accordance with Section 9 (Notices) of this contract within 10 working days of receipt of the referral.

1.2 <u>SUPPLIES AND EQUIPMENT</u>

The CONTRACTOR shall be responsible for providing all standard and usual supplies and equipment required for the general program provided by CONTRACTOR. If an individual pupil's IEP/IFSP requires specialized equipment and/or supplies beyond the CONTRACTOR'S general program, the LEA shall provide them unless otherwise specified in the Individual Services Agreement. The LEA shall provide the low incidence equipment assigned to the pupil through the IEP/IFSP unless CONTRACTOR specifically agrees in the Individual Services Agreement to provide the low incidence equipment. Supplies and/or equipment purchased and/or provided by the LEA remain the property of the LEA and supplies and/or equipment purchased and/or provided by CONTRACTOR remain the property of CONTRACTOR, if not specifically reimbursed by the LEA for that specific supply or equipment. If the CONTRACTOR provides DIS and/or related services, the CONTRACTOR shall be responsible for providing usual and reasonable supplies and assessment tools necessary to implement the provision of services unless otherwise agreed in the Individual Services Agreement.

1.3 CALENDAR

The CONTRACTOR shall only provide designated instruction and services during the period of the pupil's regular or extended school year program, or both, at the location designated by the IEP, unless otherwise specified by the pupil's IEP/IFSP. The CONTRACTOR shall observe the following legal holidays including Independence Day, Veteran's Day, Labor Day, Thanksgiving Day, Christmas Day, New Year's Day, Dr. Martin Luther King Jr. Day, President's Day, and Memorial Day, as specified in the CONTRACTOR'S official calendar. Make-up sessions may be scheduled for other days of school vacations.

1.4 PARENT VISITS/COMMUNICATION

a. The CONTRACTOR shall provide for reasonable parental visits to all of the agency facilities including, but not limited to, the instructional setting attended by pupils and recreational activity areas. CONTRACTOR shall notify case manager or other authorized district representative of all planned parental visits, and provide opportunity for case manager or other district representative to attend visit. The CONTRACTOR shall use its good faith efforts to provide that parental visits are in agreement with a court order, if any.

b. All communication between CONTRACTOR and Parent regarding programmatic decisions must include case manager or other authorized IEP team member, unless authorized by LEA representative or case manager, regarding program recommendations.

1.5 OWNERSHIP

All activity plans, token systems, reinforce systems or inventories, visual schedules, data, drills, progress reports, quarterly reports, behavior intervention plans, behavior support plans, behavior graphs, student assessment results, and program materials created specifically for individual pupils by CONTRACTOR under this Agreement shall be the joint property of CONTRACTOR and LEA.

1.6 STAFF ABSENCES

When a provider is absent, The CONTRACTOR shall provide appropriate coverage in accordance with EC section 56061. The CONTRACTOR shall provide the LEA the documentation of such coverage upon request. As appropriate, the CONTRACTOR and the LEA may make arrangements for make-up sessions, usually within 30 days, at a mutually convenient time and location if appropriate staff is not available to provide coverage for staff absences.

CONTRACTORS who provide nurses, 1:1 aides or 1:1 behavior intervention staff in accordance with an individual student's IEP/IFSP shall provide substitute coverage when the staff member is absent, unless other arrangements have been made with the LEA on a case by case basis.

SECTION 2: ATTENDANCE

The CONTRACTOR shall keep original records of services provided to each pupil in a register, report or record with the pupil's absences clearly indicated. The CONTRACTOR shall file the signed copies of such service logs with monthly invoices to the LEA within thirty (30) days of the close of the school month. The documents and reports identified in this section shall be provided to LEA pursuant to the provisions in Section 2.3 (Notices) of the Nonpublic Master Contract Main Document. The CONTRACTOR is responsible for verifying accuracy of the service logs and for informing subcontractors of their personal responsibility for the completion and accuracy of said forms. A unit of service for payment purposes is one session as specified in the pupil's IEP/IFSP.

If a pupil's absences exceed more than ten days, the CONTRACTOR may notify the LEA of the intent to terminate the Individual Services Agreement and if it does, at the same time it shall request an IEP/IFSP meeting. Said notice shall be provided pursuant to Section 9 (Notices) of this contract. Upon receipt of this request, the LEA shall convene an IEP/IFSP meeting as soon as possible to review the placement, modify the IEP/IFSP if appropriate, or determine another appropriate placement option for the student.

If a CONTRACTOR attempts to provide services for 5 consecutive days or sessions, and the student is not available for the service, the CONTRACTOR may suspend the Individual Services Agreement and notify the district of the need to convene a meeting of the IEP/IFSP team to attempt to resolve the problem. If a pupil's absences exceed more than ten unreimbursed days, the CONTRACTOR may notify the LEA of the intent to terminate the Individual Services Agreement and if it does, at the same time it shall request an IEP/IFSP meeting. Said notice shall be provided pursuant to Section 9 (Notices) of this contract. Upon receipt of this request, the LEA shall convene an IEP/IFSP meeting as soon as possible to determine another appropriate placement option for the student.

SECTION 3: SAFETY

3.1 SAFE AND APPROPRIATE ENVIRONMENT

If nonpublic agency services are not provided on a school site, the CONTRACTOR shall be responsible for providing facilities in which it provides the services agreed to in the Individual Services Agreement, unless there is written agreement to the contrary. CONTRACTOR shall comply with applicable law with respect to the structural specifications of the facilities in which it provides services. CONTRACTOR shall comply with all applicable local, county, and/or state ordinances and statutes relating to fire,

health, sanitation and building safety. If services are provided at a school site, the CONTRACTOR shall participate in the regularly scheduled fire, earthquake, and disaster drills as appropriate.

When the IEP specifies that NPA services are to be provided in the child's home, the parent/guardian or another adult caregiver designated by the parent shall be present in the home while the services are delivered.

SECTION 4: CONFLICT OF INTEREST

All recommendations for service by CONTRACTOR are the decisions of the IEP team.

To the extent required by EC section 56366.3, CONTRACTOR shall not provide special education and related services, administration, or supervision by an individual who is or was an employee of a contracting district, special education local plan area, or county office within the last 365 days, except if the individual was involuntarily terminated or laid off as part of necessary staff reductions from the contracting district, special education local plan area, or county office. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to 10 months of the school year by the district, special education local plan area, or county office. For purposes of this section the special education local plan area shall be the special education local plan area of which the LEA is a member and the county office shall refer to the San Diego County Office of Education.

In terms of determining whether an individual who provides special education and related services, administration, or supervision, is or was an employee of a contracting district, special education local plan area, or county office within the last 365 days or whether the individual was involuntarily terminated or laid off as part of necessary staff reductions from the contracting district, special education local plan area, or county office, the information provided to the CONTRACTOR by the individual in his or her application for employment, resume, or other paperwork, shall be conclusive evidence on this issue for purposes of determining compliance (if required) with EC section 56366.3. No payment shall be withheld or reimbursement demanded from CONTRACTOR if the individual failed to disclose on his or her application, resume, or paperwork, submitted to the CONTRACTOR that he or she is or was an employee of a contracting district, special education local plan area, or county office within the last 365 days or misstates the reason for separation. However, if the LEA subsequently provides CONTRACTOR written notice (pursuant to Section 9 of this contract) that an individual who provides special education and related services, administration, or supervision, is or was an employee of a contracting district, special education local plan area, or county office within the last 365 days (and was not involuntarily terminated or laid off as part of necessary staff reductions) the CONTRACTOR shall have five school days from receipt of the written notice to investigate the matter and to determine the accurate facts and whether the individual should be terminated. The CONTRACTOR shall not be subject to any payment withholding or reimbursement demands ("penalties") for the time period prior to receiving the written notice or for the five school days after such written notice is received.

The CONTRACTOR shall be subject to penalties required by EC section 56366.3, commencing the sixth school day after such notice is provided only if both of the following conditions occur: 1) if it is determined that the individual was an employee of a contracting district, special education local plan area, or county office within the last 365 days and was not involuntarily terminated or laid off as part of necessary staff reductions and 2) if the individual was not terminated prior to the sixth school day after receiving written notice from the LEA, special education local plan, or county office, or did not otherwise stop providing special education and related services, administration or supervision on behalf of CONTRACTOR. If the CONTRACTOR is subject to penalties, the time period for which penalties may be assessed, if required by EC section 56366.3, shall not be retroactive but shall only commence on the sixth school day after the CONTRACTOR received written notice from the LEA as specified in this paragraph. The penalty, if imposed, shall only apply to the salary of the person who was previously employed by an LEA within the last 365 days.

4.1 BILLING AND PAYMENT

a. Invoices

The CONTRACTOR shall submit invoices monthly. The effective date of an invoice shall be the date of the receipt by the LEA. Invoices should clearly reflect rates as specified in the Master Contract, be in accordance with the Individual Services Agreements, and include all days of creditable service, beginning no earlier than the date specified in the Interim Written Approval or ISA. The CONTRACTOR shall submit said invoice for services rendered no later than thirty (30) days from the end of the attendance accounting period calendar month in which said services are actually provided and the invoice shall be submitted pursuant to Section 2.3 (Notices) of this contract. All education related mental health services will be billed by contractor in separate invoice.

b. <u>Late Invoices</u>

If the LEA does not receive a properly submitted invoice within thirty (30) days from the end of the attendance accounting period calendar month, the LEA may deduct 1.5% per month, calculated proportionately per day, of that total invoice, if the LEA does not agree to the request of the CONTRACTOR to an extension of time to submit the invoice.

c. Payment

The LEA shall make payment within forty-five (45) days of receipt of a properly prepared and submitted invoice and such payment shall be submitted pursuant to Section 2.3 (Notices) of this contract. This payment shall be at the rates agreed to in the Rate Schedule (See Appendix A for Schools, B for Agencies, and C for Room and Board) of this contract and shall be in an amount equal to the number of creditable days of attendance during both the regular and extended school years, make-up sessions (including "excused" absences) per the individual services agreement for each pupil. This calculation shall include the Extended School Year if the pupil is enrolled in the Extended School Year, and any other absence for which the LEA has agreed to pay CONTRACTOR and any related services and transportation costs as specified in the Rate Schedule (See Appendix A for Schools, B for Agencies, and C for Room and Board) of this contract and in accordance with the Individual Services Agreements. If no notice of withholding is provided to CONTRACTOR within 10 working days of receipt of an invoice, the LEA shall not withhold any payment. Payment by the LEA shall refer to the invoice number or the date of the bill submitted by the CONTRACTOR.

2017-2018

d. Pupil Enrolled Prior to Approval of Agreement to a Contract

Ed Code addresses situations when a contract has not yet been developed and the pupil is enrolled and receiving services from the Nonpublic School or Agency (ED 56366.9 c (1)).

"If a pupil is enrolled in a nonpublic, nonsectarian school or agency with the approval of the local educational agency prior to agreement to a contract or individual services agreement, the local educational agency shall issue a warrant, upon submission of an attendance report and claim, for an amount equal to the number of creditable days of attendance at the per diem tuition rate agreed upon prior to the enrollment of the pupil. This provision shall be allowed for 90 days during which time the contract shall be consummated."

e. Late Payment

If the payment is not postmarked from the LEA within forty-five (45) days of the receipt of the invoice, the LEA agrees to pay an additional fee of 1.5% interest per month on amounts not paid, such interest being calculated beginning day forty-six (46) from receipt of the invoice. Interest shall be calculated in accordance with standard accounting procedures. The CONTRACTOR shall bill the LEA for the interest. Failure by the LEA to pay an appropriately submitted invoice within 90 days of receipt may be considered a breach of contract.

f. Medi-Cal Reimbursement

Documentation of LEA Medi-CAL Billable Services will be completed by the provider. All documentation of provider services shall be given to the District/SELPA for reimbursement submissions to Medi-Cal. The contractor will not submit any claims in the LBO (LEA) program and the LEA has the right to submit claims for reimbursement.

4.2 RIGHT TO WITHHOLD

The LEA has the right to withhold payment to the CONTRACTOR when the LEA has reliable evidence, described in writing to the CONTRACTOR at the time the notice of withholding is submitted that: (A) service is provided by personnel who are not appropriately credentialed/licensed; (B) records required by the LEA prior to school closure with respect to one or more LEA pupil(s) enrolled in CONTRACTOR's educational program have not been received; (C) the CONTRACTOR confirms a pupil's change of residence to another district but neglects to notify the LEA within 5 days; or (D) the CONTRACTOR fails to notify the LEA within 5 days after the 10th consecutive school day of a pupil's absence. If the basis for withholding is subsections (B) (C) or (D) of this section the LEA may only withhold the proportionate amount of the bill related to that pupil. If the basis for withholding is subsection (A) of this section, the LEA may only withhold payment for services provided by that personnel.

The LEA shall notify CONTRACTOR in writing within 10 working days of receipt of an invoice of any reason why requested payment shall not be paid. (EC section 56366.5(a)). Such notice shall specify the basis for the LEA's withholding payment and shall be made pursuant to Section 2.3 (Notices) of this contract. If no notice of withholding is provided to CONTRACTOR within 10 working days of receipt of an invoice, the LEA shall not withhold any payment. Within fourteen (14) days from the date of receipt of such notice, the CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment. Upon receipt of the CONTRACTOR'S written request showing good cause sent pursuant to Section 2.3 (Notices) of this Contract, the LEA shall extend the CONTRACTOR'S time to respond by an additional fourteen days. The CONTRACTOR shall submit rebilling for payment no later than thirty (30) calendar days when an invoice is returned to the CONTRACTOR with a notice of withholding. Upon verification of remediation of identified deficiencies and receipt of rebilling, the LEA shall pay the resubmitted invoice in accordance with Schools: Section 4.1, Agencies: Section 5.1 (Rate Schedule) of this contract. If CONTRACTOR does not resubmit sufficient rebilling or verify remediation of identified deficiencies within thirty (30) calendar days, that shall constitute a reason to continue to withhold payment unless and until CONTRACTOR resubmits the bill and corrects the deficiencies as noted in the original notice of withholding.

2017-2018

4.3 INSPECTION AND AUDIT

Maintenance of Fiscal Records

The CONTRACTOR shall maintain cost data in sufficient detail to verify the annual operating budget in providing education and designated instructional services to children with disabilities and shall make that data available to the LEA upon reasonable request consistent with the provisions of this section. Fiscal records shall be maintained by the CONTRACTOR for five years and shall be available for audit consistent with the provisions of this section.

b. Maintenance of Student Records

LEA Access to Documents Related to the Master Contact

The CONTRACTOR shall provide access to, or forward copies of, any documents or other matters relating to the contract within 20 days upon reasonable request by the LEA except as otherwise provided by law. The reason for this request for records shall be provided to the CONTRACTOR at the time it is made. The CONTRACTOR may request from the LEA an extension of time to comply with any records request, which shall not be unreasonably withheld. Such documents may include: 1) registers and roll books of teachers; 2) daily service logs and notes or other documents used to record the provision of related services; 3) absence verification records; 4) transportation records; 5) staff lists specifying credentials held, business and/or professional licenses held documents evidencing other qualifications; 6) dates of hire, and dates of termination; 7) staff time sheets; 8) non-paid volunteer sign-in sheets; 9) related services contracts; 10) school calendars; 11) bell/class schedules; 12) liability and workers' compensation insurance policies; 13) state nonpublic school certifications; 14) marketing materials; 15) statements of income and expenses; 16) general ledgers and supporting documents; 17) all budgetary information and projections submitted by the CONTRACTOR to LEA for purpose of contract negotiations.

d. <u>Audit Exceptions</u>

The CONTRACTOR agrees to accept responsibility for receiving, replying to, and/or complying with any audit exceptions identified by appropriate LEA personnel or State or Federal audit agencies occurring as a result of the CONTRACTOR's performance of this contract. The CONTRACTOR also agrees to pay to the LEA within thirty days of demand by LEA for any financial penalties resulting from any audit exceptions to the extent they are attributable to the CONTRACTOR's failure to perform properly any of its obligations under this contract unless the LEA agrees to different terms in writing and any demand by LEA for such payment shall be made pursuant to the notice provisions of Section 2.3 of this contract. Any, and all audit exceptions must be specified in complete detail before any demand from the LEA for any amount set forth therein.

e. Reasons for Unannounced Visits

LEA and/or Special Education Local Plan Area representatives may make unannounced inspections when there is a concern regarding the health, safety, or welfare of a child, or a substantial concern regarding the implementation of the IEP.
