February 2024

This newsletter will show you a few things we've been doing in the world of food service. Our team works hard to prepare fresh & delicious food, batch cooked daily. We have monthly food tasting & education events in the café in addition to the great food served.

New! Now serving **hot breakfast** in the café starting at 8am daily. Options may include cage free scrambled eggs, waffles, french toast, pancakes, hashbrowns, bacon & sausage. If your student would like to customize breakfast, we can accommodate egg whites, omelets &/or breakfast wraps at your request. Just ask us! Below are some recent meal options.

Top left: Burger Bar
Bottom Left: Chicken
Gumbo ES Meal
Top Right: Bone-In
Chicken Meal
Bottom Right: Pulled
Pork Slider Meal
Middle: Tomato Soup &
Grilled Cheese

Another successful Discovery Kitchen Event! January's theme was 'Road Trip' to emphasize the different cuisines enjoyed across our country. Students took a culinary trip to New Orleans and sampled homemade chicken gumbo.

February's theme was 'Smart Snacking' aimed to teach students about the important of healthy & satisfying snacks to fuel their days. Our students sampled homemade chocolate hummus with strawberry for dipping. Try it at home!
