Purpose

The Board believes that students should participate in the governance of school activities at levels appropriate to their ages and competencies because:

1. As an institution fundamental to the operation of a democratic society, the schools should strive to exemplify the democratic ideal of citizen participation in decision-making.
2. Students are a valuable resource whose contributions can aid and benefit the programs of the schools.

Authority

The Board directs that students be invited to participate in activities appropriate to their maturity and competency, leading to administrative decision-making.

Suggestions for improvement may be offered by any student, provided they are of a constructive nature and contribute toward the realization of the district's educational goals.

Delegation of Responsibility

The Superintendent or designee shall develop procedures to implement this policy.
