★ It's VERY important that you request the classes you REALLY want or need for graduation. Our master course schedule is built based on the requests gathered on these forms. You should NOT expect to be able to change your classes after you register. ★

TIPS: - Does the class have a *prerequisite? Is a teacher signature required? Read the Course Catalog! - If you are not taking a class in a subject area listed below, write a different class in its place. - If you are taking a required class online, write a different class in its place. - DON'T write online classes on this form. You sign up for those separately. - If you plan to participate in a sport, do not write it on this form. You'll try out for the sport next year.		Credit 8.0 Total	Teacher signature or recommendation
