- Veterinarian • Conservationist • Landscaper • Agricultural Operations Manager • Agricultural Engineer • Food Scientist • Zoologist • Forester • Environmental Engineer •

STUDENT TESTIMONIAL

I found my place at school in agriculture classes, such as food science, horticulture and working in the greenhouse. Mrs. Pruss makes these hands-on classes fun and has taught me about the importance of agriculture and how I can be a good caretaker of the land. I have served as an Oshkosh North FFA Officer and have had amazing leadership experiences, and a chance to travel.” - Katie F, Oshkosh North Class of 2024

HIGH SCHOOL COURSE OPTIONS

Course Name	Course Code	Term	Grade Level	Dual Credit	Industry Recognized Credential
