**STUDENT TESTIMONIAL**

*"When I began my freshman year, I knew almost nothing about business and had no intention of pursuing business after high school. After taking entry level classes, I realized that I really enjoyed business and wanted to learn more about it, in so much as, I have chosen to pursue Accounting as my career choice. Today, I have taken almost every business class offered, and am grateful for my teachers." - Ben R, Oshkosh West Class of 2024*
