Wednesday, February 21st

- ACE Day - 2:10 Release
- Class/Spring Pictures

Parent Visitors

When coming to school, please make sure that all visitors check in through the main office. We are still having family members come to our classroom exterior doors to speak with teachers. We are customer service centered, but when school is in session, our teacher's priorities are our students. If you would like to meet with a teacher, please reach out through parent square to set up a time to meet in person or through a phone call. Thank you for adhering to this policy.

Customer Service is Our Priority

Our admin team is always making time to meet with families, teachers and students. During the school day, the safety and education of our students is the priority. If you would like to meet with or speak with anyone on our admin team, please call the front office to set up a time for an in person meeting or a phone call. Our calendars fill up very quickly. Lately we have had a number of parents show up in the main office hoping to get some time to meet and we are unable to accommodate an immediate meeting due to conflicting calendar events. Scheduling a time is the best way for us to meet the needs of our families.

Thank you for your ongoing efforts in supporting student attendance. We have been averaging around 98% in attendance.
