JULY 2010

Congratulations Class of 2010!

Salutatorian - Gabrielle Frawley

Valedictorian - David Ferland

Elementary School . . .

Farewell to our 4th Graders

After teaching and building relationships with each student over the course of five years, each June we say farewell to our fourth graders as they prepare for the next step in their education and enter the Williamson Middle School. Several traditions have become a part of our farewell including taking a fourth grade portrait, constructing a quilt that will follow the students to the Middle School, High School and beyond, taking a class trip to Seabreeze Amusement Park and our graduation ceremony. These traditions help us to celebrate the successes achieved by the students during their time spent at the Elementary School and to help both the faculty and students with the transition that lies ahead.

During the graduation ceremony, several honors were awarded including the 2010 Triple “C” Award given to a male and female student in the fourth grade. The Triple “C” Award is given by the Andrew M. Cuomo New York State Attorney General. This award recognizes the “Character, Courage and Commitment” of New York’s hard working students who portray these traits in their everyday life. This year’s recipients of this very prestigious award were Khyeria Hall (KiKi) and Alex Ledain. Khyeria Hall was nominated because of her resilience, sense of responsibility, commitment to her academics, and her cheerful, polite and helpful manner. Alex Ledain was nominated for consistently giving his best effort both in and outside of school, for his caring nature, trustworthiness and for being an exemplary role model.

Class of 2018

Middle School . . .

We have finished another successful year at the Middle School. Students and staff put in a great deal of effort and had fun together working toward accomplishing the goal of high academic achievement. The students' physical, social and academic growth was evident throughout the building.

The 8th graders have prepared for the demands of the High School. The challenge that lies ahead is exciting and will be supported by The Link Crew again this year. The Link Crew is a group of upper classmen who facilitate various activities for the incoming freshmen to support their successful transition.

We also welcome a new class of 5th graders to the Middle School in September. The transition has already begun with Big Buddy Day, a team building exercise with next year's 6th graders (that took place June 16th). The 5th grade teachers and the entire faculty will welcome the students and make them feel part of the Middle School family.

On Monday evening, August 23rd, we will be welcoming new 5th grade students along with those in grades 6 through 8 with an ice cream social, the distribution of schedules, and an opportunity to see friends while becoming familiar with the school. More information about this event will be forthcoming by the end of July.

This year there were also year end awards ceremonies at each grade level. Awards at the different grade levels included: Outstanding Attendance; To School on Time; Presidential Physical Fitness; Merit, Honor and High Honor Roll; American Legion; President's Education; Technology; Skills Competition; Principal's Choice; Physical Education; and various individual awards given by teachers highlighting student academic achievement and outstanding effort.

The end of the school year is a good time to reflect on accomplishments and lessons learned; and to look forward to what might be next. We appreciate the continued support of the families and community. The faculty at the Middle School is committed to providing quality educational opportunities for the children of Williamson; together let us continue to celebrate growth and achievement.

John E. Fulmer
Middle School Principal

The Old English  Award is presented to the student in each class who had the highest average in the course. The following graduating seniors received Old English  Awards at Commencement:

ONE COURSE:

Gregory Akins	Principles of Engineering
Kyle Dobie	Physics Gemini
Hannah Hecht	Accounting II
Vann Henry	Personal Finance
Eric Hepler	Business Technology
Lindsay Rynders	Business Communications
Joshua Smith	Woodworking
Aaron VanNostrand	Accounting I
Chelsea VanAcker	AP Chemistry
Danielle Vitalone	School to Work

TWO COURSES:

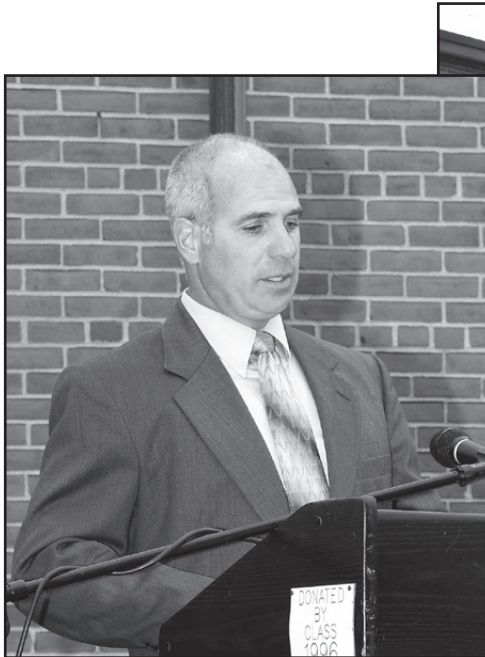

Maria Aguilera	Introduction to College Studies, Spanish 5
Mikayla Bean	Spanish 2
Mark Montondo	Studio Art, Select Chorus

THREE COURSES:

Kristen DeMarree	English 12 Gemini, Economics, AP Biology
Gabrielle Frawley	AP English, Psychology Gemini, Sociology Gemini

FOUR COURSES:

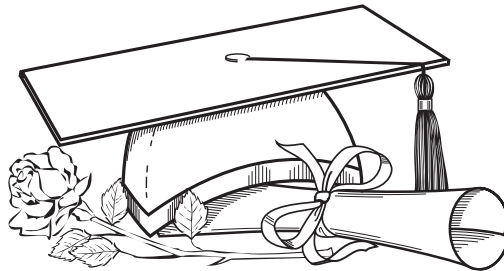

David Ferland	Economics Gemini, Public Policy, AP Calculus, Senior Chorus
Brittany Moran	Graphic Communications, AP Studio Art, Photography, Ceramics/Sculpture
