Triple “C” Award Recipients 2010 – 2011. Character, Courage and Commitment

The prestigious Triple “C” Award originates from the New York State Attorney General’s Office of Eric T. Schneiderman. Each year one 4th grade boy and one 4th grade girl is nominated by his or her teacher, with the final decision being made by a committee consisting of all teachers who have had contact with the student.

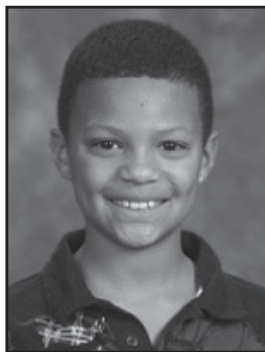

Anne Ressler
Elementary School Principal

“Mackenzie has an incredible work ethic. She is committed to always giving her best effort. She has demonstrated an incredible work ethic since Kindergarten! She has proven her great character in that she is kind and trustworthy. Mackenzie is at ease working with any of her classmates, no matter how different their learning styles.

She shows courage everyday by pushing herself to always give 100%. Her enthusiasm for learning positively impacts her classmates.” Kate Bates

“Messiah is a kind and confident young man who expresses character, courage and commitment each and everyday. He is always willing to help another student, whether it is to motivate someone to do their best, pick something up that they have dropped or just by being a good friend. Messiah is always committed to doing his best in school, making good choices, and exhibiting optimism - even when life throws him a curve ball. Messiah Duval is a generous young man who is filled with joy, hope and kindness.” Carole Picha

Flag Day Ceremony

The Elementary School held its annual Flag Day Ceremony on what turned out to be a beautiful afternoon on June 14, 2011. Representatives of The American Legion Post 394

Booser Family

and the American Legion Auxiliary Post 394 were present at the ceremony as our special guests. This year’s ceremony was dedicated to the memory of Ronald H. Mascle a past commander of Post 394. Commander, Dave Madison presented fourth graders, Gavin Buehler and Allison Hopper with a new school flag that will adorn our flagpole during the 2011-2012 school year. Participants were also entertained with several patriotic selections by the fourth grade band, the entire student body singing Thank You Soldiers with soloists: Kayli Burggraaff and Nash Cahoon; McKenna Hill, Irini Konstantinou, Brooke Bishop and Heaven Batz sung the song Blue and Red and White.

Middle School . . .

We have finished another successful academic year at the Middle School. Students and staff put in a great deal of effort and enjoyed our time together working toward accomplishing the goal of high academic achievement. The students' physical, social and academic growth was evident throughout the year in all areas of the building.

The 8th graders have prepared for the demands of the High School. The challenge that lies ahead is exciting and will be assisted by The Link Crew and the many supports from the High School again this year. The Link Crew is a group comprised of upper classmen facilitating various activities for the incoming freshmen in support of their successful transition.

We also welcome another new class of 5th graders to the Middle School in September. The transition has already begun with Big Buddy Day that took place June 9th, a team building exercise with next year's 6th graders. The 5th grade teachers and the entire faculty will welcome the students and make them feel part of the Middle School family.

On Thursday evening, August 25th, we will be welcoming new 5th grade students. We also invite students in grades 6 through 8 to an ice cream social. We will distribute schedules and give students an opportunity to see friends while becoming familiar with the school. More information about "Scoops and Schedules" will be forthcoming by the end of July.

This year there were also awards ceremonies at each grade level that took place at the end of the school year. Awards included: Outstanding Attendance; Presidential Physical Fitness; Merit, Honor and High Honor Roll; American Legion; President's Education; Technology; Skills Competition; Principal's Choice; Physical Education; and various individual awards given by teachers highlighting student academic achievement and outstanding effort.

The end of the school year is a good time to reflect on accomplishments and lessons learned; and to look forward to what might be next. We appreciate the continued support of the families and community. The faculty at the Middle School is committed to providing quality educational opportunities for the children of Williamson; together let us continue to celebrate growth and achievement.
