JULY 2012

Congratulations Class of 2012

Valedictorian - Rayanne Luke

Salutatorian - Tricia Phillips

Elementary School . . .

The 2011-2012 school year ended on a high note here in the elementary school! It was a wonderful year with so much to reflect on and celebrate.

The 4th graders commemorated their last year in the elementary school with a “Moving into the Middle School” celebration on Monday, June 18th. Many students were recognized for their achievements and successes during the event. Congratulations to Madeline Bortle and Connor Garrod who received the “Triple C” Award. We wish the 5th graders all the best in the middle school ~ we will miss you all!

*Ellen Saxby
Elementary School Principal*

The entire student population enjoyed two special events at the end of the school year; Flag Day on June 14th and Field Day on June 15th. The local American Legion Post once again donated flags for all of the students to carry during the Flag Day parade. They also donated a flag to the school which was accepted proudly by two 4th graders; Kayla Brennan and Connor McVey. Field Day found our students running, playing and competing on a sunny day here in Williamson. It was great fun for all!

On a personal note I would like to thank the Elementary School families and the community for kindly welcoming me in as the new Elementary Building Principal. It has been a privilege working with your children and I look forward to the new school year in September!

Middle School . . .

We have finished another successful academic year at the Williamson Middle School. Students and staff both put in a great deal of effort and enjoyed time together working toward accomplishing the goal of high academic achievement. The students' physical, social and academic growth was evident throughout the year in many areas of the building.

*John E. Fulmer
Middle School Principal*

The 8th graders have prepared for the demands of the High School. The challenge that lies ahead is exciting and will be assisted by The Link Crew and the many supports from the High School staff and administration. The Link Crew is a group comprised of upper classmen facilitating various activities for the incoming freshmen in support of their successful transition.

We also welcome another new class of 5th graders to the Middle School in September. The transition has already begun with Big Buddy Day that took place June 7th. This was a team building exercise with next year's 6th graders. The 5th grade teachers and the entire faculty will welcome the students and make them feel part of the Middle School family.

3rd Annual Scoops and Schedules

On Monday evening, August 27th, we will be welcoming new 5th grade students and their families to the Middle School. We will have a brief orientation in the auditorium at 5:30 pm. The 5th grade students will receive their schedules and be able to walk the building. We also invite students in grades 6 through 8 to an ice cream social beginning at 6:00 pm. We will distribute schedules and give students an opportunity to see friends while becoming familiar with the school.

This year there were awards ceremonies at each grade level that took place at the end of the school year. Awards at the different grade levels included: Outstanding Attendance; Presidential Physical Fitness; Merit, Honor and High Honor Roll; American Legion; President's Education; Technology; Skills Competition; Principal's Choice; Physical Education; and various individual awards given by teachers highlighting student academic achievement and outstanding effort.

The end of the school year is a good time to reflect on accomplishments and lessons learned, and to look forward to the future. We sincerely appreciate the continued support of the families and community. The faculty at the Middle School is committed to providing quality educational opportunities for the children of Williamson; together let us continue to celebrate growth and achievement.
