

# Creating a Parent Account on Canvas

Before you can create a parent account, you will need to get an access code from your child. Their access code is found in their Canvas account:

## To find the access code (in student account)

1. 

2. 

3. 

Please note that the access code will expire after 24 hours.

## Now you're ready to create your account:

1. Go to <a href="https://lsc.instructure.com">lsc.instructure.com</a> and click the parent link	
2. Fill out the information on the parent signup page INCLUDING the access code	

**You'll now be able to observe your child's progress in Canvas!**
