Tyee January Superstars

9th Grade: **Teresa Makengo**

Teresa brings light and joy into our Tyee community. A respectful, positive member of our newcomer multilingual learner program, she welcomes everyone into our community with a smile on her face, as she herself learns English and navigates a new education system. Tyee recently welcomed a large number of brand new students, and Teresa can be found empowering these students to find their classes and access support staff and resources. Teresa is also a student-athlete in our Girls Basketball program. She is a collaborative team player, a thoughtful and supportive teammate, and has an incredibly positive spirit. These are some of the many reasons why Teresa deserves to be recognized as a Tyee Superstar. (Jenn Truong)

10th Grade: **Noel Montoya Sandoval**

Noel is an uplifting person who has grown so much this year (and last). He's kind and helpful, for both teachers and his peers. He has a great sense of humor and a seriousness about his dedication to learning that inspire those around him. (Andi Newman)

11th Grade: **Henoc Ndoma**

Henoc is always engaged and participating in class. He is kind to everyone. He is thoughtful. (Celia Koehler) He is always respectful and holds the door for people. He is friendly and kind. He also volunteers in class to answer questions and try new things. I really appreciate having him in class. (Karen France)

12th Grade: **Dadny Torres-Monrroy**

Dadny came to Tyee as a new student. He was a bit hesitant when he first arrived. However, each day he arrives to school with the biggest smile. He always takes time to say hello and thank you. He has a strong desire to be successful. He works through challenges and advocates for himself. Dadny brings a joy to each classroom he is in. He is kind and supportive of his peers of all ages. He even takes time to check in with our younger students and is a role model for others. (Celia Koehler)

Staff: **Rose Johnson**

Rose has jumped back into Tyee with both feet! She actively works together with colleagues and students to craft curriculum that is interesting and empowering. She's taken on supporting new staff members even as a new/returning staff member herself. My year has been made exponentially better with her presence on campus. (Antje Brewer)

SeaTac Rotary Student of the Month: **Julysa Rosales Cervantes**

Julysa is a consistent leader and role model to both her peers and lower grades. She consistently supports others to make positive decisions to support their learning. She has extremely healthy relationships with staff consistently showing respect for herself and others.

Acts of Kindness program

Teachers will be nominating students who consistently go above and beyond to make a positive impact in our Tyee community. Students who are nominated will gain exclusive access to snacks, coffee, and Italian sodas at the Titan Bar.

Saturday School Feb. 24

Saturday School will be in the Library from 9:00am to Noon. Students can study and get help from teachers and staff. Pizza will be served.
