- Improve gym lighting/flooring

Concept Plan

Hunting Ridge Elementary School Renovations

Feeder Pattern

The plan calls for all students attending Hunting Ridge, Central Road, Pleasant Hill, and Stuart R. Paddock Elementary Schools to feed into Plum Grove Middle School and then on to Fremd High School instead of splitting up to multiple schools.

District Facility & Site Improvements

Improvements to District 15 school buildings include updated mechanical systems, library upgrades, improvements to existing classrooms, new instructional spaces, and more.

Updated Mechanicals & Infrastructure

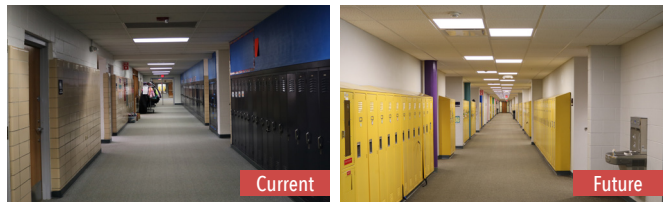

Roofing, plumbing, HVAC systems, and related upgrades will be addressed districtwide.

New Flooring, Ceilings & Related Improvements

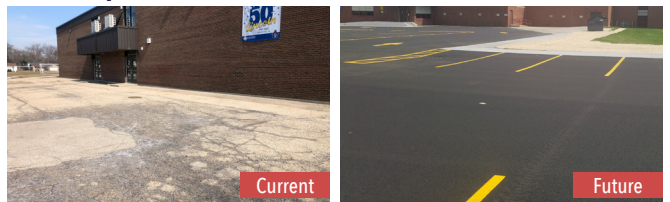

Learning space improvements include new flooring, ceilings, cabinets, furniture, and lockers.

Energy Efficiency Upgrades

New LED lighting and other energy efficiency upgrades.

Site Improvements

Site improvements include parking, masonry, concrete and asphalt repairs, updated playgrounds, and traffic flow upgrades to improve safety.
