- Add security cameras
- Improve parking lot
- Repair sidewalks & masonry
- Improve traffic flow
- Add 4 classrooms
- Add/Renovate Classrooms
- Add/reconfigure space for full-day kindergarten
- Renovate/expand cafeteria
- Update library
- Improve gym lighting/flooring

### Concept Plan

#### Jane Addams Elementary School Renovations & Additions

### Feeder Pattern

The plan calls for all students attending Jane Addams, Lake Louise, and Virginia Lake Elementary Schools to feed into Winston Campus and then on to Palatine High School instead of splitting up to multiple schools.

### District Facility & Site Improvements

Improvements to District 15 school buildings include updated mechanical systems, library upgrades, improvements to existing classrooms, new instructional spaces, and more.

#### Updated Mechanicals & Infrastructure

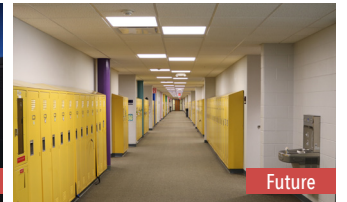

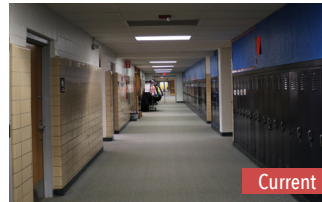

Roofing, plumbing, HVAC systems, and related upgrades will be addressed districtwide.

#### New Flooring, Ceilings & Related Improvements

Learning space improvements include new flooring, ceilings, cabinets, furniture, and lockers.

#### Energy Efficiency Upgrades

New LED lighting and other energy efficiency upgrades.

#### Site Improvements

Site improvements include parking, masonry, concrete and asphalt repairs, updated playgrounds, and traffic flow upgrades to improve safety.
