

PROPOSED SCHOOL FACT SHEET

THOMAS JEFFERSON
MIDDLE SCHOOL
 (CURRENTLY THOMAS JEFFERSON ELEMENTARY SCHOOL)

Improvements

- Improve accessibility
- Install LED lighting
- Update certain flooring, ceilings, cabinets, lockers, & furniture
- Upgrade HVAC
- Update plumbing
- Replace aging roofing
- Add security cameras
- Improve parking lot/ traffic flow
- Repair sidewalks & masonry
- Add track
- Add science labs/STEM
- Reconfigure classrooms
- Add/renovate restrooms
- Add multipurpose/ PE space
- Art/music space improvements
- Renovate/expand cafeteria
- Update library
- Improve gym lighting/flooring

The plan calls for Thomas Jefferson Elementary School to be converted into a 6-8 middle school. Students who previously attended Thomas Jefferson would attend either Marion Jordan Elementary or Frank C. Whiteley Elementary. Students from these two schools would then come back together to attend Thomas Jefferson Middle School.

Concept Plan

Thomas Jefferson Middle School Renovations & Addition

District Facility & Site Improvements

Improvements to District 15 school buildings include updated mechanical systems, library upgrades, improvements to existing classrooms, new instructional spaces, and more.

Updated Mechanicals & Infrastructure

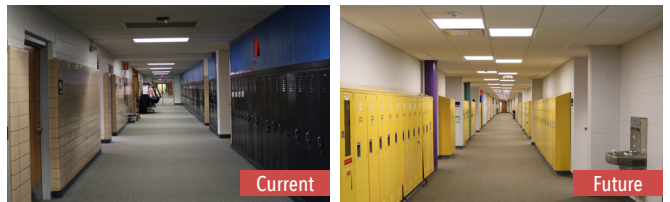

Roofing, plumbing, HVAC systems, and related upgrades will be addressed districtwide.

New Flooring, Ceilings & Related Improvements

Learning space improvements include new flooring, ceilings, cabinets, furniture, and lockers.

Energy Efficiency Upgrades

New LED lighting and other energy efficiency upgrades.

Site Improvements

Site improvements include parking, masonry, concrete and asphalt repairs, updated playgrounds, and traffic flow upgrades to improve safety.

Feeder Pattern

The plan calls for all students attending Frank C. Whiteley Elementary School and Marion Jordan Elementary School to feed into Thomas Jefferson Middle School and then on to Fremd High School instead of splitting up to multiple schools.
