### Immunization Requirements for Grade 12 Students

Two (2) doses of the **MCV4** (Meningococcal) vaccine are required ***prior*** to entry into twelfth (12th) grade, in accordance with the State of Ohio Immunization Requirements for school attendance. The 2<sup>nd</sup> dose must be given after age 16 years.

**\*\*NOTE:** If the 1<sup>st</sup> dose of MCV4 is at 16 years of age or older, a 2<sup>nd</sup> dose is not required for school\*\*

If your child is in need of these vaccines, please make an appointment now with either:

- Your family physician or health care provider
- Visit any Minute Clinic (CVS, Rite-Aid, Walgreens) – no appointment needed
- Cuyahoga County Department of Health (call 216-201-2041 to make an appointment).

*Don't delay in making an appointment!* Summer, especially August, will be extra busy at most physician offices and you may find it difficult to get an appointment in time.

**Please submit an updated copy of immunizations to the School Nurse NOW to verify immunizations BEFORE the senior year begins. Documentation must be received before the first day of classes.**

***\*\*According to Section 3701.13, on the 15th day after school entrance, it will be necessary to exclude from school all students who do not meet the above requirements. \*\****

Label the envelope **Attention: School Nurse** and send to:

- Westlake High School, 27830 Hilliard Blvd, Westlake, OH 44145
- Drop off in Main Office or Attendance Office
- Scan/Email to [DetwilerT@wlake.org](mailto:DetwilerT@wlake.org)
- FAX to (440) 835-5572

**\*PLEASE** make sure any immunization information is directed to the **school nurse** and *not athletics\**

**If you have any questions, or there are circumstances preventing your child from receiving vaccinations, please call (440) 250-1022 or email [DerwilerT@wlake.org](mailto:DerwilerT@wlake.org).**

Thank you,  
Tim Detwiler, BSN, RN, LSN  
Westlake City School Nurse
