As a Catholic high school, John Carroll forms young people who are inspired by a passion for learning and seek to lead lives of significance in service to God and others.

# LEARN | LEAD | SERVE

Dear Students & Families,

As we enter the Lenten season, the upcoming four-day break from our academic schedule provides us with a unique opportunity for prayer and reflection.

First and foremost, I encourage each of you to use this time to reflect on the countless blessings that have been bestowed upon us.

In addition to spiritual reflection, this break presents a valuable chance to catch up on academic assignments. We understand that the demands of schoolwork can be challenging, and some of you may feel overwhelmed. Please use this time wisely to finish your E-Day assignments and other pending work. It is an excellent opportunity to start the second half of the third quarter positively, fully prepared, and updated with your studies.

Lastly, I invite our families to come out and support our students in their various extra-curricular activities. Your presence means the world to them and fosters a sense of community, which is the trademark of John Carroll. I also encourage all our families to join us at the Hoover Country Club on Saturday night for the Carrollights Gala. I look forward to seeing everyone there and wish to say thank you, in advance, to the PTO for all the work they have done to create a great evening for our community.

God Bless & Go Cavs!

Ronald Steele, Principal
