

Who Should Join?

We welcome a diverse range of professionals, including:

- ✓ Business Leaders
- ✓ Industry Experts
- ✓ Educators and Instructors
- ✓ Community Advocates
- ✓ Parents and Alumni

About Us

Renton School District CTE programs utilize innovative learning models to deliver curriculum that is relevant to current workplace demands and in line with industry standards. One of the strengths of the program is the strong partnerships between CTE staff, the business community, the City of Renton, and community-based organizations.

Our Mission

Our goal is to help students:

- identify their strengths
- explore a variety of career options
- connect instructional activities to areas of interest
- interact with the business community at large
- prepare students for life beyond high school

CTE Program Areas

1. Health Science
2. STEM (Science, Technology, Engineering, and Mathematics)
3. Family and Consumer Science
4. Agriculture
5. Business and Marketing
6. Skilled and Technical Sciences

for CTE"**

Why Join Our CTE Advisory Committee?

At Renton School District, we believe in the power of collaboration and industry expertise to enhance Career and Technical Education (CTE). We invite you to be a part of our CTE Advisory Committee to help shape the future of education and workforce development.

Influence Education

Contribute your industry knowledge to ensure our CTE programs align with industry needs.

Mentorship

Provide guidance and support to students, helping them thrive in their chosen careers.

Networking

Connect with fellow industry professionals and educators who share your passion for CTE.

Community Engagement

Make a direct impact on the success of students and your local community.
