Dear Garden City Public Schools Families,

Garden City Public Schools will be working with Champions® to provide families of K-6th graders with before- and after-school (and break time) programs beginning with the 2021-2022 school year!

Champions will be conveniently located at Lathers PreK-K Elementary and will be offering childcare services as well as what was formerly referred to as Latchkey services.

Save your child's spot by registering at
www.discoverchampions.com.

Champions' safe and accredited programs have a proven track record of offering top-notch programs for over 30 years and counting. **Plus, they partner with our school district to extend the learning your kids are doing here each day.** When your child enrolls, they'll get extra STEM learning, literacy, arts, exercise, and more.

Your kids will love Champions programs because they'll ...

- **Get social** time with friends
- **Enjoy freedom** and independence to learn the way they choose
- **Feel supported** by teachers who foster their curiosity and support them through challenges
- **Be nourished** with healthy snacks that are included in tuition
- **Finish homework** and get help with school projects

Registration is open now at discoverchampions.com, and space is limited. **Our school office doesn't handle registration, so please contact the Champions Family Support team at 800-246-2154** or email them at ChampionsHelp@kc-education.com for program fees or if you have any questions.

I hope many of you will take advantage of this new partnership that supports your whole family!
