

# HEY, KINDERGARTEN FAMILIES—

LET'S MAKE THIS YOUR  
CHILD'S BEST YEAR YET!

**CHAMPIONS**

Starting kindergarten is a milestone in your child's educational journey, and with it comes so many new things: school, friends, routines, schedules, and learning, to name a few.

## What is Champions?

### Why join now?

Just like you, we want your child to feel good about themselves in this exciting new time of growth and learning! Here, kids get to scratch the itch of curiosity and feel the rewards of teamwork. They get to explore their interests and discover new things, too. Our caring teachers are here to guide them (and cheer them on) every step of the way!

Kindergarten is the perfect time to join Champions because your child will:

- Be safe and sound with our industry-leading health and safety practices
- Laugh and play with friends—something kids are craving after the last year of isolation
- Strengthen STEM learning skills that kids need to succeed in the classroom and their community
- Explore independent curiosities and collaborate on group projects
- Move their body indoors and outdoors with dance, yoga, and free play time
- Get homework help so they can focus on family (or have downtime) when they get home
