Community Service Form –Brighton High School
(Must be completed at a NON PROFIT or GOVERNMENTAL AGENCY)

As part of each student's requirements for graduation, five hours of community service must be performed for each year or partial year of attendance at Brighton High School. Community service work cannot take place during the regular school day. Students may not receive pay or academic credit for community service. Court-ordered or disciplinary service may not count for community service. Community service must be completed with a ***NON PROFIT*** or ***GOVERNMENTAL*** agency (not a for-profit business) that is providing a service directly to the community. Students are encouraged to use this service opportunity to explore potential career interests. If you have any questions about what will count for community service, it is best to check with your counselor before completing hours.
