Tennessee Scholars has a clear and focused mission: to increase the percentage of Tennessee high school graduates prepared for post-secondary education, the workforce, or the military. It is a rewards and incentives program for students who graduate high school with the required courses and additional expectations of attendance, discipline, and volunteer service. Any student can be a Tennessee Scholar who chooses. The key to success is to prepare early. What are the benefits for graduating as a Tennessee Scholar? Tennessee Scholars requirements are the minimum requirements one needs to prepare for college. The benefits are scholarships to many Universities, job preferential hiring, recognition at graduation, obtaining the distinction of being a scholar that will be on your permanent record for the rest of your life. You can never go back and repeat high school so become a Tennessee Scholar today.

To become a Tennessee Scholar students complete a demanding high school curriculum that emphasizes "on level" and above courses in mathematics, science, social studies, language arts (English and foreign language), and computer literacy. The program also stresses the importance of attendance and dependability.

Requirements

- 4 Units of English
- 4 Units of Math (Bridge Math does not count as a 4th Math for Tennessee Scholars) Successful completion of all competencies for Sails math will count)
