

FUTURE 8TH GRADE STUDENT

Dear Parent(s)/Guardian(s),

Attached you will find the Course Selection Sheet for your child for the 2024-2025 school year.

- 1) Please take a few minutes to review the choices that your student has made. If you would like to make any changes to these elective choices, feel free to write those comments on the Course Selection Sheet or contact your child's School Counselor.
- 2) You can access a google slides presentation of the elective options on the WWMS Website: wwms.munster.us → Parent & Student Resources → Guidance Department
- 3) **The signed Course Selection Sheet must be turned in to your child's Advisory teacher or School Counselor within one week after completing the form.** Electives may be chosen for your student if this form is not returned.
- 4) If your child is interested in taking any of the High School Level Courses (Spanish, Intro to CS, Engineering Essentials and/or PCC), **you must sign the included permission slip**
- 5) Be aware that your child may be recommended for courses other than the ones that he/she has chosen based upon ILEARN or NWEA scores.
- 6) Course selection and number of electives for students with IEPs may be determined at the Annual Case Conference
- 7) For students interested in Honors courses, please access the information regarding High Ability on the School Town of Munster website. www.munster.us → Menu → District Departments → Curriculum, Instruction, & Assessments → High Ability
- 8) 8th grade students have the opportunity to choose an aide position as an elective. We do our best to give a position to all students who request one, however please be aware that sometimes there are more requests than positions available.
- 9) Please know that we will do our best to give your child their top elective choices, however due to scheduling conflicts, enrollment, and staffing, the administration reserves the right to assign classes as needed.

Please feel free to contact us with any questions!

Julie Atkinson
School Counselor (A-K)
jeatkinson@munster.us

Lindsay Grunewald
School Counselor (L-Z)
