Approximately 90% of TASIS England students pursue higher education within one year of graduation in the UK (51%), USA (33%) and other countries. The remaining students typically pursue volunteer and/or internship opportunities, often submitting applications during this gap year. Over 80 scholarships were awarded totaling over £2.4 million; the majority of this money was merit based. The following is a list of institutions where TASIS England students have been accepted over the past four years. Institutions in bold indicate matriculation.

The College Counseling Team, as members of NACAC and IACAC, firmly believe in the authenticity of our students’ applications. TASIS England promotes personal integrity and moral development in an environment of trust and support. Our students are set a maximum of ten applications to ensure a careful selection of final university applications and well-researched potential destinations.
