Data is constantly analyzed in our weekly PLCs.

Transparency within staff and administration is key.

### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1 (Prioritized):** Our special education students are not passing their state exams nor performing at grade level. **Root Cause:** In 7th grade Reading, 2 out of 45 students tested, and no data was provided. No students in grade levels 6th and 8th came in to test.

**Problem Statement 2 (Prioritized):** 80.8% of students are at risk **Root Cause:** Most students are at-risk because of the programs they are served by. Special Population students are not achieving at the level of all students.

**Problem Statement 3:** High mobility rate adversely effects a students academic growth. **Root Cause:** Parents have no set home. Families continue moving from one community to another. At times this is even from one country to another.

**Problem Statement 4 (Prioritized):** Students have a lack of social skills in interacting with peers **Root Cause:** Due to COVID-19, our students missed out on guidance and counseling sessions.

**Problem Statement 5 (Prioritized):** We had an increase in the percentage of at-risk students from 67.8% to 80.8% within the last school (2019-2020 to 2020-2021). **Root Cause:**

Due to the COVID-19 pandemic, students suffered learning loss.

**Problem Statement 6 (Prioritized):** Our Emergent Bilingual population is not performing at grade level in Reading and Writing **Root Cause:** Students are not fluent in the English language and lacking those foundational skills, Due to COVID-19 our students have widened the gap more.

**Problem Statement 7 (Prioritized):** Parent involvement is not at the level we would like it to be **Root Cause:** Most of our families do not have transportation, some parents fear the fingerprinting process required before going into the district due to residency status

### Student Learning Strengths

Ramiro Barrera Middle School creates a Master Schedule that provides support for all students. RBMS provides instruction to at risk, struggling learners through the use of research based interventions. Students at RBMS are provided with an extended day and extended year schedule so that they can receive additional accelerated instruction. RBMS offers advanced academics through Project Lead the Way. All teachers at RBMS have completed their 30 hours in Gifted and Talented training enabling them to differentiate instruction to the needs of all students. Student council, Fishing Club, Archery Club, and other clubs for students such as: Robotics and various excelling fine arts programs. Our campus also offers additional intervention classes for students that need additional accelerated instruction during the school day. In addition, RBMS offers extended student learning time through after school tutorials and Saturday Learning Camps. Despite our strengths, at RBMS we also focus on the needs of all student populations including but not limited to of Limited English Proficient, At Risk and Special Education.

### Problem Statements Identifying Student Learning Needs

**Problem Statement 1 (Prioritized):** There is a learning gap based on our state assessment data, weekly and bi-weekly test data, and our benchmark data. **Root Cause:** Due to

COVID-19, lack of internet access, students staying in their home country (Mexico), and students were not participating in virtual learning.

**Problem Statement 2 (Prioritized):** Based on previous STAAR data, all our EB population scores have decreased in both reading and math. We see there is a 20% to 30% difference between our projected scores and the actual passing scores in 6th - 8th grade in reading and math. **Root Cause:** Our EB students lack comprehension and reading fluency. They also lack basic math computation skills.

## School Processes & Programs Strengths

RBMS has an experienced administrative and teaching staff. The administrative team coaches and guides staff to make the best instructional

plans for individual student growth and achievement. Components such as student schedules, discipline, curriculum, and interventions are strategically planned to meet the needs of all students. If some instructional programs, schedules, or interventions are not working, the team at RBMS monitors and adjusts to meet the needs of the staff, the students, and the community. A Chrome Book is issued to each student and five computer labs are available for student use. Students have access to several computer programs such as: IXL, SuccessMaker, Flocabulary, Summit K12, Writable, NewsELA, Action Scholastic.

RBMS has safe practices and processes that contribute to student success. We execute the following safety and security measures within our school community and building:

\*Breakfast on wheels in which students arrive on school transportation (buses) in a 5-10 minute arrival process, enter the building while being monitored to enter their grade level hallways and to their breakfast line. Students are expected to grab a light, free breakfast, and report immediately to their designated first period class. All teachers arrive to school with the expectation teachers are expected to be present and visible at their doors to receive students. The minutes prior to the instructional day are carried out in the classrooms while students are able to eat breakfast quickly, and dispose of food just before preparing for their instructional day. Campus leaders as well as teachers that are not scheduled for a first period class are expected to monitor hallways and ensure overall safety of the building during breakfast on wheels.

#### **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1 (Prioritized):** Our newcomers (recent immigrants) are enrolled in only one section of ESL instruction. **Root Cause:** We do not have a research-based curriculum to follow.

**Problem Statement 2 (Prioritized):** Based on previous STAAR data, our special education students are not meeting state performance passing standards in reading and math. **Root Cause:** Our students lack grade level instruction.

**Problem Statement 3 (Prioritized):** Student enrollment for the 2021-22 school year is below the enrollment from 2019-20 and 2020-21. **Root Cause:** Parents are not secure with the plan for safety that was put in place. The increase in notices of covid-19 exposure within the county, state and country.

# Perceptions

## Perceptions Summary

Ramiro Barrera Middle School works to ensure our school is a family friendly environment. Family involvement is a key component of student success and it is imperative to us that we support parents by creating a climate that is responsive and communicative in nature allowing the school and family to work as partners in the educational process. Various opportunities for family engagement are offered each year. A campus website is regularly updated with important information and serves as a repository for school based schedules, forms, parent portal, contact links, achievements, etc. RBMS promotes continuous support to end bullying and provide an environment conducive to teaching and learning. Based on our TEA 2019 Accountability Summary, we had a 96% attendance rate. Our attendance goal is to maintain at least 97%+ attendance. We plan to work towards this goal by continuing to promote student engagement and implement attendance incentives.

## Perceptions Strengths

- Family events which focus on the importance of a positive relationship between home and school - Parents' Night, 6th gd. Orientation Meeting, Grandparents Day, Meet the Teacher, Open House, Fine Arts Concerts, Art Exhibits, Awards Assemblies, 8th Grade Promotional Ceremony, etc.
- Variety of communication methods used to contact parents and keep them informed (website, social media, mail, email, Blackboard Notification System)
- Use of Raptor and magnetic door entry to ensure the safety of our staff and students
- Use of Project Wisdom to emphasize character education.
- Counseling program that includes guidance lessons on bullying, self esteem, dating violence, hygiene, character education, etc.
- Regular surveys to monitor students, parents and staff feedback and meet the needs of our community.
- We provide all staff members the opportunity to improve our culture through the creation and implementation of campus committees, clubs, and other organizations such as Book Club, Weight Loss Challenges, etc.
- There are numerous organizations available for student participation ( Student Council, Cheer, Fishing Club, Robotics Club, Book Club, Leadership Class, etc.)
- Celebrations are held throughout the year to promote a positive school culture and environment. ( Red Ribbon Week, Pep Rallies, College and Career Fair, STAAR Rallies, etc.)
- A well maintained facility and numerous options to support growth and development (via before and after school tutoring) are additional strengths offered by RBMS.

## Problem Statements Identifying Perceptions Needs

**Performance Objective 4 Problem Statements:**

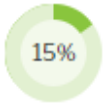

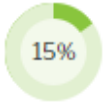

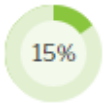

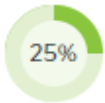

<b>Demographics</b>
<p><b>Problem Statement 1:</b> Our special education students are not passing their state exams nor performing at grade level. <b>Root Cause:</b> In 7th grade Reading, 2 out of 45 students tested, and no data was provided. No students in grade levels 6th and 8th came in to test.</p>
<p><b>Problem Statement 2:</b> 80.8% of students are at risk <b>Root Cause:</b> Most students are at-risk because of the programs they are served by. Special Population students are not achieving at the level of all students.</p>
<p><b>Problem Statement 4:</b> Students have a lack of social skills in interacting with peers <b>Root Cause:</b> Due to COVID-19, our students missed out on guidance and counseling sessions.</p>

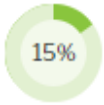

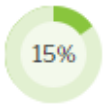

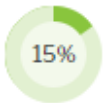

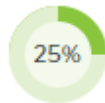

**Goal 2: STUDENT LEARNING**

Roma ISD will provide rigorous, effective, and engaging curricula, instruction, and enrichment activities to prepare all students for graduation and post-secondary success.

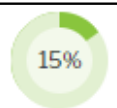

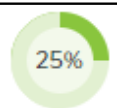

**Performance Objective 1:** All students will increase STAAR Reading by 10% in Meets and 5% in Masters by May 2022.

**Performance Objective 5 Problem Statements:**

### Demographics

**Problem Statement 2:** 80.8% of students are at risk **Root Cause:** Most students are at-risk because of the programs they are served by. Special Population students are not achieving at the level of all students.

**Problem Statement 5:** We had an increase in the percentage of at-risk students from 67.8% to 80.8% within the last school (2019-2020 to 2020-2021). **Root Cause:** Due to the COVID-19 pandemic, students suffered learning loss.

### Student Learning

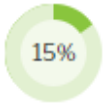

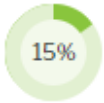

**Problem Statement 1:** There is a learning gap based on our state assessment data, weekly and bi-weekly test data, and our benchmark data. **Root Cause:** Due to COVID-19, lack of internet access, students staying in their home country (Mexico), and students were not participating in virtual learning.

### Goal 2: STUDENT LEARNING

Roma ISD will provide rigorous, effective, and engaging curricula, instruction, and enrichment activities to prepare all students for graduation and post-secondary success.

**Performance Objective 6:** All Emergent Bilingual (EB) will increase STAAR Math by 10% in Meets and 5% in Masters by May 2022.

**Performance Objective 16 Problem Statements:**

<b>Demographics</b>
<p><b>Problem Statement 1:</b> Our special education students are not passing their state exams nor performing at grade level. <b>Root Cause:</b> In 7th grade Reading, 2 out of 45 students tested, and no data was provided. No students in grade levels 6th and 8th came in to test.</p>
<p><b>Problem Statement 2:</b> 80.8% of students are at risk <b>Root Cause:</b> Most students are at-risk because of the programs they are served by. Special Population students are not achieving at the level of all students.</p>
<p><b>Problem Statement 5:</b> We had an increase in the percentage of at-risk students from 67.8% to 80.8% within the last school 2019-2020 to 2020-2021). <b>Root Cause:</b> Due to the COVID-19 pandemic, students suffered learning loss.</p>
<p><b>Problem Statement 6:</b> Our Emergent Bilingual population is not performing at grade level in Reading and Writing <b>Root Cause:</b> Students are not fluent in the English language and lacking those foundational skills, Due to COVID-19 our students have widened the gap more.</p>

## Student Learning

**Problem Statement 2:** Based on previous STAAR data, all our EB population scores have decreased in both reading and math. We see there is a 20% to 30% difference between our projected scores and the actual passing scores in 6th - 8th grade in reading and math. **Root Cause:** Our EB students lack comprehension and reading fluency. They also lack basic math computation skills.
