Practices will be **Tuesday-Thursday**. This allows for extended weekend plans. Please plan accordingly. All practices are MANDATORY in preparation for Regionals and State. Any absences that are unexcused (without doctor's note or funeral program) could reflect on the competition status for an athlete (BYLAW VIII.6) Since we perform as a team, it would be a risk for an athlete who is not prepared to be able to be a part of a routine.

Any missed practices must be communicated in advance with your team's school coach.

Varsity will meet for practice Monday, April 1st at Brink Junior High from 2:30-4pm. Practices will continue M,W,F at Brink JH until the end of the school year.
