Summer Practices: Athletes need to be at all summer practices. We work hard to give the girls time off for summer camps and vacations. However, if athletes miss practice, they are still required to work on what we covered in practice and must be ready to demonstrate the practiced skills during the next practice attended.

School Practices: Practices are on Monday, Tuesday and Thursday 2:15-4:30pm (Unless otherwise stated)

ESTIMATED EXPENSES OVERVIEW FOR CJH POM 2024-2025

CJH Pom estimated monthly cost will be approximately \$209 (per month) depending on needs/extras purchased. *Please remember these are just estimated expenses. It is important to note that pricing may change, and fees/events may be added or removed. This is to just simply give you (as parents) a guideline to prepare for the upcoming year. We will also fundraise through Boosters to help offset some of the overall cost. Please see the estimate guide.
