In order to perform its duties in an open and public manner, and in accordance with state law, the Board of Education will hold regular business meetings once a month.

The time, dates and place of regular Board of Education meetings will be established at the annual reorganizational meeting. In the event that the day appointed for a regular meeting falls on a legal holiday, the meeting will be rescheduled. In the event that there is an inability to attend the meeting by Board members to the extent that a quorum would not be present, the Board shall select a date for a postponed meeting at the previous regular meeting, and shall direct the District Clerk to notify all members.

All regular Board meetings are open to the public. The district will make all reasonable efforts to ensure that the meeting facility provides barrier-free access to the physically handicapped, and accommodates all members of the public who wish to attend.

Board members are permitted to participate in board meetings via videoconferencing, in accordance with state law. Any site where videoconferencing is to take place must be open to the public. The district will comply with applicable notice requirements (see Policy 2340). Videoconferencing of Board meetings is addressed in policy 2325.

In addition to the members of the Board, the following individuals will regularly attend the business meetings of the Board: the Superintendent of Schools, the Assistant Superintendent, and other specified personnel as deemed necessary.
