For all subjects taught in this system where Regents examinations are available, said examinations will be given.

In all Regents courses, the Regents examination will be mandatory for every pupil unless specifically excused by the secondary school principal upon recommendation of the appropriate administrator and after consultation with the teachers, guidance staff and other related personnel.

No pupil may be barred from participation in the Regents examination if he/she wishes to take the examination. All pupils who successfully pass a Regents, shall receive credit for the course. Failure by a pupil to pass the examination will not necessarily bar the pupil from school credit for the course.
