5300.05	Introduction - Code of Conduct	

The Board of Education is committed to providing a safe and orderly educational environment where students receive and district personnel provide quality educational services without disruption or interference. Central Islip is also committed to maintaining, in the schools, a climate of mutual respect and dignity to promote learning within a safe environment. Responsible behavior by students, teachers, other district personnel, parents and other visitors is essential to achieving this goal.

The District has a long-standing set of expectations for conduct on school property and at school functions. These expectations are based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty and integrity.

The Board recognizes the need to clearly define these expectations for acceptable conduct on school property, identify the possible consequences of unacceptable conduct, and to ensure that discipline, when necessary, is administered promptly and fairly. To this end, the Board adopts this Code of Conduct ("Code").

Unless otherwise indicated, this Code applies to all students, school personnel, parents and other visitors when on school property or attending a school function.
