

# MEET THE COUNSELOR

● Mrs. Cavin ●

## All About Me

Hello friend! My name is Mrs. Cavin, and I am so excited to be your new counselor. This is my fourth year as a school counselor, but I have been counseling youth for 11 years. I graduated from The University of Southern Mississippi with my Bachelor's degree and then from The University of South Alabama with my Master's degree. I'm so excited to work with all of you to help all students be their best self. Please don't hesitate to reach out if you should need anything. For parents, email will be the best way to get in contact with me. Students may fill out a slip outside of my classroom door (C-9) if they should need me.

## Contact Me
