CLEP

grant yourself a scholarship.

Pass an exam through the College-Level Examination Program® (CLEP®) and earn college credit for what you already know. This means more time and money for advanced courses or electives. There are 2,900 colleges and universities that grant credit for CLEP, and 1,300 that administer the tests. There are exams in 34 introductory college-level subjects. Check with your college about its CLEP policy and...

shorten your path to a college degree.

I took a CLEP exam and received 12 college credits. As a result, I was able to finish my general education classes quickly and at a low cost. I believe CLEP allows students the opportunity to pull ahead in life.
