

Welcome Military Families to Saraland Early Education Center!

I am very excited to have you and your family at SEEC. Recently, our local school board passed a resolution publicizing the school's support for military children and families. We are here to support you and your child with enrollment. One of the ways we offer support to your child is through the Lil' Spartan Ambassadors Program. Current students serve as mentors to help new students feel welcomed and comfortable. We are committed to providing critical transitional support for military-connected students as they relocate to our school due to a parent's change in duty station. Our focus is to eliminate barriers to the academic success of military-connected students. We are here to assist and support the military family lifestyle in such areas as school transitions, frequent moves, deployment, and education inconsistencies that exist from state to state, along with many others.

If you need assistance, please feel free to contact me (SLO) at jdenmark@saralandboe.org or 251-602-8930. You can also contact the following individuals for assistance in specific areas:

Dr. Kimberly Williams, Principal at kmwilliams@saralandboe.org or 251-602-8930

Alicia Fillingim, Registrar at afillingim@saralandboe.org or 251-602-8930

We are looking forward to serving you and your family at SEEC!

Sincerely,
Jacqueline Denmark, PH.D.
School Liaison Officer (SLO)/Counselor

Welcome Military Families to Saraland Early Education Center!

I am honored to serve as the principal of the Saraland Early Education Center. Saraland City Schools is dedicated to providing a world-class education for students. I am excited to work with Saraland's kindergarten and first grade teachers, students, and parents. The teachers are an outstanding group of educators who are committed to the success of each child. Our kindergarten and first grade students are ready and willing to learn – there is no limit on what they can accomplish!

The new Early Education Center campus is a wonderful addition to the Saraland City Schools family. It is a beautiful facility and will provide a first-class learning environment for our students. It also serves as an example of promises made and promises kept to the Saraland community during the tax referendum a few years ago. Great things are happening at the Saraland Early Education Center!

We are looking forward to serving you and your family at SEEC!

Sincerely,
Kim Williams, PH.D.
School Principal
