

RIVER GROVE REIMAGINED

WHAT'S GOING ON WITH THE RIVER GROVE REPLACEMENT PROJECT?!?

JUNE 17, 2022

AND SO IT BEGINS...

School has been dismissed for the summer, the teachers have packed up their rooms, and the moving trucks have arrived!

Technology removal has been going on this week as well as moving the contents of the school to Uplands Elementary....River Grove's temporary home during construction.

Things are happening here! We will send out a weekly update to keep you apprised as we go.

Beth Starr

Project Coordinator, River Grove Elementary School Replacement Project

Keepsake Tiles

We will be making the art tiles available as a keepsake metal art tile.

If you are interested, email

Beth Starr at:

beth.starr@loswego.k12.or.us.

A professional photographer has been hired to create keepsakes of the tiles by printing them on metal tiles. We ask that you get your tile this way.

Removing one tile may jeopardize it and surrounding tiles.

Also, soon after school lets out, construction fencing will go around the property to protect people from the demolition.

We strongly advise that you do not go over the fence for your safety and the safety of others.

RIVER GROVE ART TILES

Please, please, please do not attempt to remove your child's tile from the wall. In doing so, there is a very good chance that you could damage your tile, and the tiles of other children as well.

A professional photographer will be spending the day at River Grove, taking pictures of all the mosaics and the individual tiles within the mosaics.

Once the pictures have been organized and uploaded to our Flickr account, I will send out ordering information. The tiles will be available to order as 4x4 metal tiles. You can order your

child's individual tile and/or the entire mosaic. These metal tiles are beautiful with bright colors!

CONSTRUCTION FENCES GOING UP

Construction fences will be going up soon at River Grove. Please do not enter fenced off areas!

AERIAL PHOTOS OF RIVER GROVE REPLACEMENT COMING SOON!

Check back for aerial pictures of the River Grove campus. As the project progresses, we will begin taking aerial pictures on a regular basis and posting them on the River Grove construction page on the bond's website: <https://www.losdschools.org/domain/2050>

IF YOU WANT TO RECEIVE REGULAR UPDATES FOR THIS PROJECT, PLEASE EMAIL ME AND LET ME KNOW
