

River Grove Reimagined

Construction Update

August 19, 2022

Remember that this is an Active Construction Site

For your safety, and the safety of the workers:

If you would like to take pictures, please stand on the opposite side of the street to do so, as construction vehicles will be entering and exiting the drives throughout the day.

Concrete Slabs from Main Building and Pods are being Broken Down

Excavators are working to break the concrete slabs and concrete footings down into more manageable-sized pieces.

GaGa Pit has been Installed at Uplands Elementary

River Grove students will be excited to see that the GaGa pit has been moved to Uplands Elementary!

August 31 is the Deadline for Ordering your Keepsake Tile from River Grove

- Keepsake tiles are available for ordering through the end of August
- Click on the link below to find your tile and place your order
- All tiles will be made at the end of the month

Signage for Construction Updates

Signs have been posted on the construction fencing along McEwan, as well as the fencing along the sports field, and the fence at Pilkington Park with the website and QR code for this project. Check back frequently as the site is updated often.

<https://www.losdschools.org/Page/8479>

Plastic boxes have also been placed along the construction fencing. These boxes currently contain ordering information for the Keepsake Tiles. After the deadline for ordering tiles, the boxes will contain the latest Construction Update Newsletters for those in the neighborhood who do not receive the electronic version of the newsletters.

Sign Up for Project Updates

If you would like to receive the River Grove Reimagined: Construction Update Newsletter, and you are not already on the email distribution list for the River Grove Newsletter from Principal Dan Draper, please email me and I will add your information to the River Grove Reimagined distribution list.
