#### **Status Summary:**

- Prequalified general contractors are reviewing bid documents and submitting questions to the design team. Low bidder will be awarded in November
- Bidding phase includes review of substitution requests for building products and equipment of equal performance but less cost
- City has reviewed the permit documents and a majority of the review comments have been addressed. Permit review
  is on schedule
- Hazardous materials abatement bids have been received and award will go to the low bidder

#### **Project Manager's Notes:**

- Alternates are included in the bidding documents to achieve the target construction budget and to obtain competitive pricing
- Design and permit phases are on schedule and will allow for early procurement of materials and equipment and early coordination with the contractors
