

457(b) Plan Enrollment Instructions

These instructions are for creating and accessing a traditional 457(b) account and/or a Roth 457(b) account.

TRADITIONAL 457(b): This plan automatically deducts part of your salary into the retirement savings plan before taxes are taken out. The money grows tax-deferred until it's withdrawn—then the taxes come due.

ROTH 457(b): This plan automatically deducts part of your salary into the retirement savings plan after taxes are taken out. The interest and earnings withdrawn from a Roth account are tax-free if the distribution is considered “qualified.”

REMINDER: You can have both a traditional and a Roth 457(b)—and contribute to one or both at the same time—if allowed by your plan.

1. Go to www.tcgservices.com and click **Enroll**.

2. Type the name of your **Employer** in the search box and click **Enroll** on the **457(b) Savings Plan**.

3. Enter your **Social Security number** to continue.

If the website indicates that “a user name and password already exists,” then proceed with the following steps:

Enter your Social Security Number as the **username**, and your birthday in numerical digits (MMDDYYYY) as the **password**.

For example:

Social Security number: 123456789

Birthday: 01/02/1980

Username: 123456789

Password: 01021980

If you are still unable to login, please call **(800) 943-9179**

4. Create your Username and Password; enter all personal information; then click **NEXT**.

5. Designate your beneficiaries on this screen. After you insert your Primary beneficiary's information, click **ADD** to add additional beneficiaries.

Click **NEXT** when you are done.
