AUSTIN/TRAVIS COUNTY TEMPORARY FOOD EVENT PERMIT

Environmental & Consumer Health Unit

Mailing Address: PO Box 1088 Austin, TX 78767 Phone (512) 978-0300 Fax (512) 978-0322

Do you need a temporary food event permit?

Festivals, parades, celebrations and other special events contribute to the quality of life in Austin. Most of these events also feature food for sale or distribution. These Temporary Food Events ("TFE"), such as traveling fairs and carnivals, circuses, multicultural celebrations, special interest fundraisers, restaurant food shows, and other gatherings, have become extremely popular and are held with increasing frequency in our community.

Many of these TFE can involve extensive preparation and processes that include the cooking and advanced preparation of food prior to service. Anytime food is being handled, there is a possibility of the food becoming contaminated. Some foods such as raw meats and poultry can be contaminated prior to obtaining them. It is estimated that 76,000,000 cases of food borne illnesses occur every year and there are emerging illnesses and drug resistant bacteria that are increasing the hazards. No one wants to make anyone ill and with this in mind the City Code and the Texas Food Establishment Rules (TFER) provide guidelines for permitting and food safety standards for all food establishments. The Health Department has established procedures that can assist with the advanced planning and management of TFE. We ask for your support in promoting these food safety practices

The Austin/Travis County Health Department requires individuals or organizations to obtain a temporary food service permit for any event in which they are offering food for public consumption.

If you can answer "Yes" to any of the following questions you will need to obtain a temporary food service permit.

1. Is the general public invited to the event?
2. Can a person other than a member of the organization and their family members or invited guest attend?
3. Have you advertised the event or sold tickets to the general public?

The following is a list of minimum guidelines for food safety:

NO HOME PREPARED FOODS other than baked goods such as cookies, brownies, cakes. Hand washing and ware washing facilities must be provided. The hand washing facility is a container that allows for water to flow freely with a catch bucket below (i.e. a tea urn with the spout propped open) and provided with soap and paper towels. The ware washing facility can be three separate containers set up for washing, rinsing and a bleach solution.

1. All foods must be cooked to required temperatures (ask about specific foods you want to offer)
2. Hot foods must be held at 135°F or above
3. Cold foods held at 41°F or below
4. All foods must be kept covered
5. Overhead and floor covering must be provided.

There may be additional requirements depending on your operation and the types of food you want to offer

If you have additional questions, please call Austin/Travis County Health and Human Services at 512-978-0300.

COVID-19 SAFETY PROTOCOLS AND REQUIREMENTS

The health and safety of our school community is of utmost importance as Lake Travis ISD officials continue to closely monitor the Coronavirus (COVID-19) pandemic. Lessee acknowledges and agrees that the following safety protocols must be complied with as a condition to renting any LTISD facility. Lessee acknowledges and agrees that it is the Lessee's sole responsibility to ensure, to the best of its ability, that the protocols are being followed. Failure to comply with these required safety protocols may result in the District denying use of its facilities to Lessee. Lessee should ensure sufficient staff, volunteers, etc. are in attendance at the event to assist with maintaining compliance.

The following constitutes the minimum requirements that a Lessee must follow as a condition to renting an LTISD facility. Nothing prevents Lessee from implementing additional standards or protocols for the participants and attendees using the rented facility.

FACE COVERINGS

In accordance with Executive Order GA-38, Lake Travis ISD is prohibited from requiring any person to wear a mask or face covering or to mandate that another person wear a mask or face covering.

However, while renting a facility, Lessee may make its own decision on whether or not to mandate the use of masks for the event or activity that Lessee is conducting.

SCREENING

Lessee must, at a minimum, encourage all participants and attendees to self-screen for COVID-19 symptoms and/or close-contact with a test-confirmed individual prior to utilizing or coming onto a Lake Travis ISD facility.

SYMPTOMATIC, POSITIVE, AND CLOSE CONTACT INDIVIDUALS

Any individual who is experiencing COVID-19 symptoms or who is test-confirmed positive for COVID-19 may not come onto an LTISD facility until the required quarantine or self-isolation period has been completed. Individuals who have had close contact with an individual test-confirmed positive for COVID-19 are strongly encouraged to remain off LTISD facilities until the person has completed the required quarantine period or has been test-confirmed negative for COVID-19.

CLEANING

Additional custodians and associated fees may be required to ensure the facility can be properly cleaned and disinfected after use.

TICKETING

To the extent Lessee is selling tickets, it is preferred that Lessee utilize an online ticketing platform. If online tickets are not possible, Lessee should ensure that proper markings are noted so that sales are conducted in a socially-distanced manner.

GOVERNOR'S OTHER EXECUTIVE ORDERS

Lessee must comply with all other precautions or safety protocols required by the Governor's most current Executive Orders, if any, and the minimum recommended health protocols established by the Texas Department of State Health Services (DSHS) for the activity that Lessee intends to conduct, if any. DSHS minimum recommended health protocols can be found at <https://www.dshs.texas.gov/coronavirus/opentexas.aspx#protocols>.

ACCOMMODATIONS

Lessee must comply with the requirements of the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973 in considering and providing accommodations for individuals with a medical or disability-related condition that prevents him/her from complying with any COVID safety protocols. Failure to comply with necessary accommodations may result in Lessee no longer being allowed to utilize LTISD facilities.
