

# Hudson Bend Middle School Goals 2023-2024

## **Goal 1: Are One Community**

We will bring our community together so that a welcoming neighborhood feel ensures all families feel connected, valued, and engaged.

**Performance Objective 1:** HBMS will bring our community together through a variety of activities and opportunities, so that the number of parent involvement activities offered increases by 50%.

## **Goal 2: Each Belong**

We will include all community members and help students discover their interests so that we all feel a sense of connectedness.

**Performance Objective 1:** HBMS will increase student sense of belonging and connectedness by creating a Student Advisory Committee that meets four times per school year, so that student feedback and input regarding campus-wide programming is considered.

## **Goal 3: Provide Best In Class Education**

We will demonstrate a commitment to all students so that each child is prepared for life and successful in the path they choose.

**Performance Objective 1:** HBMS will increase student performance through rigorous instruction designed to meet the needs of every child and ensure equitable access to learning with appropriate supports for success, so that the percent of Emergent Bilingual students scoring at each of the Approaches, Meets, and Masters grade level on STAAR will increase from the previous year by 5%.

## **Goal 4: Grow & Innovate Together**

We will support our instructional staff, use data-based decision-making, and partner with stakeholders to build off success and continuously improve.

**Performance Objective 1:** HBMS will implement a continuous improvement planning model that utilizes multiple modalities of qualitative and quantitative data to respond to the needs of all learners and inform instructional practices, resulting in improved student achievement, so that teacher PLCs will meet every other week to analyze data to identify trends, patterns, and areas of improvement for all learners with a focus on achievement gaps, learning disparities, and student needs.

## **Goal 5: Prioritize Wellness**

We will make school a great place to be so that the social, emotional, and physical well-being of our Lake Travis ISD community is supported.

**Performance Objective 1:** HBMS will support the social, emotional, and physical well-being of our teachers and faculty by asking teachers to complete a wellness survey four times per year and address staff needs accordingly.
