Program News

The 2022-2023 school year is in full swing and the daily routines of the lazy days of summer are now a thing of the past. Now is the time to start planning for afterschool activities for the kiddos and maybe even consider taking a community education class yourself. After school in-person enrichment classes returning this fall for elementary students are Marima @ Miller's Point, My Art Starz, Kidcreate Studio, Snapology, Drama Kids International, and Hill Country Karate. And as I continue to add new programs, Sticky Fingers Cooking for Kids will join the JISD CommEd Team offering their "tasty" classes for potential young chefs at Copperfield Elementary and Hartman Elementary. JISD CommEd is also partnering with Planting Seeds Tutoring (PST) & Test Prep this fall to offer virtual enrichment classes geared towards students in grades 3-8. For adult learners, we will resume ESC 20 AEL classes for HSE (GED) and ESL. Other adult classes this fall taught by Topanga Canyon Designs, thinkclink's Investing for Beginners, Medicare & Retirement Planning, AARP's Driver Safety Course, and an online Ukrainian Egg-Dyeing workshop will be a part of our CommEd line up. It is going to be an AMAZING YEAR. Let's continue to grow together!

ESC 20 AEL classes are brought to you in part by a partnership with Judson ISD Adult & Community Education.

Community Education Classes

— CHECK OUT WHAT'S NEW IN COMMED —

Franchisee, Ms. Francine Huang is bringing Sticky Fingers Cooking for Kids to Judson ISD Community Education. Classes will be taught by a SFC Instructor Chef where students will be educated and inspired as to the role of real foods, cooking, and how proper nutrition promotes good health and overall wellness. Students will be able to practice math skills, see scientific concepts at work, and develop an environmental awareness of where real food comes from. The skills students learn in Sticky Fingers Cooking classes lay a foundation upon which they will be able to experiment at home with take home recipes using their newly learned cooking skills, as well as develop a palate for new foods. Students will gain a sense of pride in their hard work and which will result in tasty creations for them to enjoy!

Sticky Fingers Cooking classes will also help build confidence, determination and independence in young students as they work to create meals using skills which will benefit them now and in the future.

Registration for in-person classes slated for this fall will be available soon. Visit the JISD Community Education Online Store via My School Bucks at <https://bit.ly/34KK5h1>

PLANTING SEEDS
TUTORING AND TEST PREP

Mr. Chris Jones, founder of Planting Seeds Tutoring (PST), along with his dynamic team of online instructors and certified tutors, is bringing to Judson ISD CommEd., years of experience helping struggling students develop skills for lifelong learning and personal growth. PST is committed to equipping students with the tools needed to be successful learners such as goal setting, developing better study skills, building academic self-esteem to meet individual potential, as well as teaching young learners great organizational skills.

This fall elementary students will have the opportunity to take PST online enrichment classes in Speech & Debate, Spanish, French, Creative Writing, Coding/Roblox, and Tutoring/Homework Assistance. Online enrichment classes geared towards secondary students will be SAT/ACT Prep Class, Financial Literacy, and Tutoring/Homework Assistance. All classes are fee-based, taught via Zoom, and must be launched on the student's personal device from home.

Please keep an eye out for the Planting Seeds Tutors and Test Prep page to go live via the Adult & Community Education webpage within the next few weeks.

NOTE:

Throughout the 2021-2022 school year, I was able to represent the Judson ISD Adult & Community Education and Adventure Club Department during Student and Family Engagement Nights at Mary Lou Hartman Elementary. Each event was theme-based which gave me the opportunity to plan a short art & crafts activity to complete with students and parents. This participation also gave me a chance to speak with parents and share program information as well as survey the community to better meet their needs. I had SO MUCH FUN at these events and look forward to Ms. Monica Rodriguez inviting me back in the fall.

If you would like the JISD Adult & Community Education and Adventure Club Department to participate in JISD campus-based, Student and Parent Nights, community involvement, or other events throughout the 2022-2023 school year, please email yschuler@judsonisd.org with details.

Be advised the department cannot participate in campus field day or events for students only.

Adventure Club

JUDSON ISD ADVENTURE CLUB AFTER SCHOOL PROGRAM

Registration for the 2022-2023 Judson ISD Adventure Club After School Program has been unexpectedly rocky with ongoing issues. Registration is available for most students but unfortunately not all students in My School Bucks. Issues involving student data for PK and NEW to the district students in upper grades has been reported to JISD Technology who is working to get these issues resolved. Visit <https://www.judsonisd.org/Page/31092> for details on how to sign your child up. Please be advised tuition is due one month in advance at the time of registration. And any student account with an outstanding balance must be paid in full in order for the student to be admitted into the program. Spaces are still available at most participating sites. Please contact campus for information prior to submitting the online Registration Packet and payment. Also, there is no registration fee this year.

The Adventure Club After School Program will strive to provide age-appropriate, for all levels of PK-5th grade, enrichment activities while enhancing self-motivation, social skills, improved study skills, and overall student safety in a FUN drug-free, supervised environment. #LetsGrowTogether
