## Program News

The JULY SESSION of the Judson ISD Adventure Club K-5 All Day Summer Camp started Monday, July 11, at the three designated Camp Sites: Elolf STEAM Academy, Masters Elementary, and Olympia Elementary, welcoming a combined number of 50 Campers. Like the JUNE Session, Campers completed educational components but this month the lessons were a bit more challenging by advancing to the 22-23 grade level. Camp Staff continued to engage Campers with amazing arts & crafts projects, and super cool Science experiments. Group field trips to Santikos Theaters, EVO Cinestarz Entertainment Center, a visit from Wild Things Zoofari, Sea Life San Antonio with lunch and play at Dave & Busters, The Witte Museum, and a carnival is planned for the last day of Camp. I am grateful to have been blessed with such a wonderful TEAM who made this Camp a memorable experience for our young JISD Campers. And THANKS to the MOST HIGH for blessing this year's Summer Camp with protection and love!!! Let's continue to grow together!

*Yvonne E. Schuler, Coordinator*

Throughout the 2021-2022 school year, I was able to represent the Judson ISD Adult & Community Education and Adventure Club Department during Student and Family Engagement Nights at Mary Lou Hartman Elementary. Each event was theme-based which gave me the opportunity to plan a short art & crafts activity to complete with students and parents. This participation also gave me a chance to speak with parents and share program information as well as survey the community to better meet their needs. I had SO MUCH FUN at these events and look forward to Ms. Monica Rodriguez inviting me back in the fall.

If you would like the JISD Adult & Community Education and Adventure Club Department to participate in JISD campus-based, Student and Parent Nights, community involvement, or other events throughout the 2022-2023 school year, please email [yschuler@judsonisd.org](mailto:yschuler@judsonisd.org) with details.

Be advised the department cannot participate in campus field day or events for students only.

## JUDSON ISD ADVENTURE CLUB SUMMER CAMP 2022 - RECAP

**SIGHTS AND SOUNDS AROUND OUR TOWN -  
VIVA SAN ANTONIO!!!**

As the Judson ISD Adventure Club K-5 All Day Summer Camp is coming to an end this week, I believe the majority of our little Campers at Eolf STEAM Academy, Masters Elementary, and Olympia Elementary were able to learn, play, have fun, and grow with us over these past seven weeks. I can honestly say that this summer's Camp Staff worked extra hard and lived up to their task, which was to serve our Campers and give them the best camp experience ever.

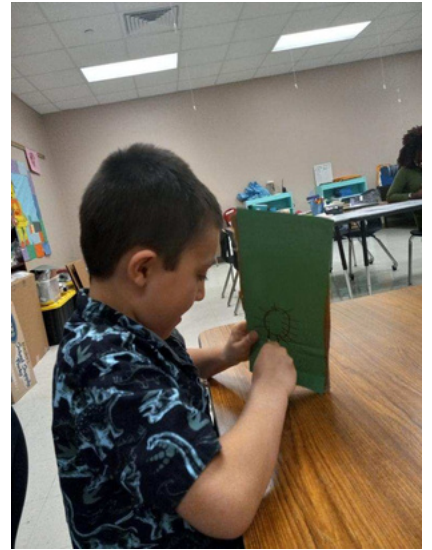

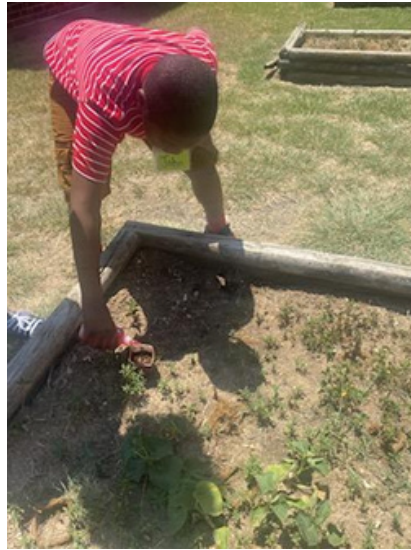

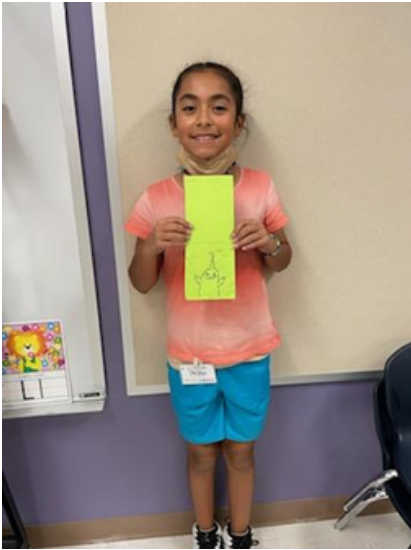

And although we only had one planning meeting/workshop, Camp Staff built upon our shared ideas making each site their own while keeping in mind this summer's theme, "Sights and Sounds Around Our Town-Viva San Antonio!" All of my expectations and hopes for each Camp site to provide daily educational components, fabulous arts & crafts, cool projects, super fun Science experiments, and memorable group field trips for our little Campers were met. We may have had a few hiccups at the start of summer and along the way, yet overall, it has been a pretty wonderful camp experience.

Looking forward to the next Camp. Until then. :)
