Title I Overview

Tonight, we have provided a fun and engaging way to provide you with the Title 1 campus information that is mandatory for each campus to provide their parents. Please take time to do this fun scavenger hunt and get this information prior to finishing the night at your child's classroom. If for some reason you are not able to get the information during the scavenger hunt the information will be posted on our website and on September 25th at 7:45 will present this information again in the library. Please make sure before you leave the cafeteria that you have acquired an exit ticket from our staff members. The completed exit ticket will be turned in by you to your student's teacher for an incentive provided by the teacher. We have people located at each QR code in case you need assistance. The first QR code that you will need is here in the cafeteria located on the pillars near you.
