

JLA Consultation Process

The Judson Learning Academy (JLA) is an alternative environment High School designed to offer students a unique environment that provides them the opportunity to obtain their High School Diploma. There are various reasons as to why students choose to leave the regular High School setting and Judson ISD is committed to provide an individualized state required curriculum for students with a unique situation. In order to ensure that JLA is the appropriate setting for the students, it is required that every student that is considering attending JLA participate in a consultation and a reading/math assessment. The consultation process to determine if a student is accepted into JLA takes approximately one week.

Requirements for Consultation

Obtain all required documents prior to the Consultation

- ✓ Student must have earned a total of 10 credits
- ✓ A copy of Transcripts (unofficial)
- ✓ EOC Assessment test scores
- ✓ A copy of Judson's District Proof of Residency (such: Electric bill, Water bill, home lease, a deed or verification of address form)
- ✓ A completed copy of the Student Consultation questionnaire
- ✓ Contact the Judson Learning Academy to drop\off documents and set up a consultation appointment
