February 5, 2024

Dear prospective Kindergarten Parents/Guardians,

Welcome to Davie County Schools! We are delighted you have chosen to join our DCS school family! Starting Kindergarten is a major event in your child's life. Outlined below is our three step registration process:

Step 1- Online Registration

Registration is now open and can be found at https://www.godavie.org/ by clicking on Student Enrollment in the middle of the page. Follow the directions to access and complete online registration. If you have questions or need assistance in accessing this website, please contact your elementary school at the number listed below to schedule an appointment for you to come in and complete the online registration process..

Step 2- In person Registration

On March 14, 2024 from 4:30-6:00 pm, you will have an opportunity to visit the elementary school in your attendance zone to learn more about the upcoming school year. During this time, you will be given information about step 3 and more upcoming Kindergarten transition events..

Step 3- Orientation and Screening

These dates will be set by individual elementary schools, giving us an opportunity to meet and work with each rising kindergarten student and introduce them to kindergarten faculty and staff.

The following documents are required to be submitted to your school by the state of North Carolina to complete your child's registration. We ask you to present this information to the elementary school in your attendance zone during your scheduled visit. You may also upload proof of age, parents photo Identification and proof of residency during the online registration process.

- Proof of age (a certified birth certificate) must be five on or before August 31
Parents Drivers License or another acceptable photo Identification
Proof of Davie County Residency (power bill, water bill)
Kindergarten Health Assessment (the physical cannot be prior to 8/27/2023) and North Carolina Immunization Records (most children receive immunizations at their five-year old checkup).

Table with 2 columns: Schools and Phone. Lists elementary schools and their contact numbers.

We wish you positive experiences as we work together to ensure your child's success.

Sincerely,

Handwritten signature of Jeffrey D. Wallace

Mr. Jeff Wallace
