Everyone loves a parade ...

National Honor Society students are once again working to make sure this year's parade, scheduled for 5 p.m. Friday, September 16, goes off without a hitch. The students help plan and organize the parade as well as assign the line-up and direct participants on the day of the parade. This year's parade chairpersons are seniors **Sophia Beath** and **Evan Hahn**.

This year's special parade guests of honor are **Dan** and **Judith Rice**. The parade grand marshal is teacher Mrs. **Brooke Piger**.

Lineup for registered parade participants will begin at 4 p.m. along Alger Drive on the east side of the high school. (Please note: Only those groups who have registered will be allowed to access the parade lineup area and participate in the parade. The district adheres to a no solicitation policy and does not allow businesses, commercial vehicles, for-profit groups or political candidates to participate in the parade.) The staging area includes the staff and student parking areas east of the high school and Davison Alternative Education. **It is strongly recommended that those who are walking with their kindergarten/preschool student in the parade to park at Thomson Elementary.**

Motorists should take note that the Oak Road entrance to the high school will be closed by 4 p.m. The Lapeer Road entrance to the high school should only be used by those who are participating in the parade. Due to limited space because of the construction, visitors are strongly urged to park at Thomson Elementary or on the west side of the high school by the tennis courts.

The parade kicks off at 5 p.m. from Davison High School. The parade will continue west down Clark Street and turn north on Main Street before ending near the library. Please use extreme caution when driving in this area as school buses will be picking up students along Main and E. Flint streets to bring them back to the high school.

The parade route ends at Fourth Street. Students riding on floats or up on the back seat of convertibles need to stop here and get fully inside the vehicle and buckled up before proceeding back to the school. This will be strictly enforced by police.

A special thanks to our police agencies—Davison Township, City of Davison and Richfield Township—for their assistance with directing traffic, closing streets and helping to keep everyone safe.
