Back to School Building Beat

Suggested School Supply Lists

While the DCS provides all school supplies needed by students, we know that many of our families enjoy making an event out of going school shopping. There's just something about a fresh pad of writing paper, some great writing pens and a new notebook to keep your items organized that make you feel good and excited about starting a new school year. Because of that, K-6 teachers have put together a list of items that students may want to have on hand. Click on the building below to find the school supplies suggested for that building/grade. For grades 7-12, teachers will let students know if any additional supplies are suggested.

Central Elementary

Gates Elementary

Hill Elementary

The dentist is coming to Davison Community Schools

Davison Community Schools is pleased to announce that Smile Programs, a mobile dentist program, will be visiting many of our school buildings this fall.

This program is intended to provide an additional resource for students in need of dental care. If a child already has a dentist, it is recommended they stay with that dentist. We are seeking to help children in need, who do not see a dentist regularly so they can be provid-

Where kids come first
A Fully Accredited District

ed with the care they need and deserve. The Smiles program is a Medicaid provider for ages 1-18, which means all services are covered 100 percent and the company bills Medicaid directly. Children with no insurance will receive a free cleaning, screening and fluoride. Smiles Program will consider treating students with private insurance and offer donated care upon request.

Smile Programs mobile dentistry uses the latest technology in portable equipment, bringing dental services directly to your student's school. A licensed dentist, hygienist and assistant will set up a mini dental clinic in the school and they will provide a comprehensive dental exam. Comprehensive care includes a complete exam, X-rays, cleaning, fluoride, sealants, fillings, baby tooth extractions, pulpotomy and stainless steel crowns. Work is billed through insurance for services rendered.

In addition, Smile Programs will work with the health department and local dentists to provide referrals of children who need additional dental care beyond what can be done in a school setting as well as share digital X-rays. To view the list of participating dentists, please go to www.mobiledentists.com, scroll to parents, then to referral dentists and select Michigan.

The mobile dentist will be visiting the following school buildings on the dates listed below. If you would like your child to be seen by the dentist, you can register at the link that accompanies the school building. You can also complete a form that will be included in Welcome Back packets or available at your student's school.

Open House/Student Registration schedule is online

Open houses and student registrations are coming up! At the secondary (grades 7-12) level, registration/check in, students can expect to receive their schedule and have their picture taken for their school ID. At the elementary levels, students and their parents can meet the teacher and check out their classroom during the open house. Thomson Elementary has an Orientation video for parents to help answer any questions parents may have about the first official year of their child's school career. It can be viewed here: https://youtu.be/-5l_TwDpL7E

For a complete list of the Open Houses/Student Registration/Check-ins, go to: https://mi02211530.schoolwires.net/cms/lib/MI02211530/Centricity/Domain/8/openhouseschedule.pdf

News about our awesome Alums

Shelbe Cahill (Class of 2016) was named to the Saginaw Valley State University's President List for the Winter 2021 semester. To be eligible for the President's List, a student must take at least 12 credit hours and earn a 4.0 grade point average.

Claire Stoddard (Class of 2017) recently graduated from Albion College with a degree in biology with a minor in kinesiology-exercise science. Claire is the daughter of Kim and Steven Stoddard of Davison.

Kailee Tubbs (Class of 2016) graduated with a Bachelor of Business Administration in supply chain and operations management.earned from the University of Wisconsin-Whitewater in a May hybrid ceremony.

Sean Mason (Class of 2018) was among the more than 7,000 undergraduate students at the University of Iowa named to the Dean's List for the 2021 spring semester. Sean is a second year undergraduate student in the UI's College of Liberal Arts and Sciences and is majoring in International Relations.

Cedarville University student **Miranda Strobl** (Class of 2017) was named to the Dean's List for Spring 2021. This recognition requires the student to obtain a **3.5 GPA** or higher for the semester and carry a minimum of 12 credit hours. Miranda is majoring in Nursing.

Kaden Walworth (Class of 2019) was named to The University of Alabama Dean's List for Spring Semester 2021.

Lily Brown (Class of 2020) was one of 58 first-year students at Alma College to recently be awarded the President's Cup for the 2020-21 academic year. The students earned the honor by achieving the highest academic standing in their respective classes at Alma.

The following alums have graduated from Alma College: **Maddison Luebke** (Class of 2016) received a Bachelor of Arts degree in music/English; **Shaylee Seymour** (Class of 2016) received a Bachelor of Science degree in chemistry and **Alexandra Dudock** (Class of 2017) received a Bachelor of Arts degree magna cum laude in management.

Have an idea for Building Beat? We love to hear from our staff, students and alums! If you have a story or accomplishment to share, know of a student or staff member we should feature, or would like to let us know what you are doing since graduation, please email us at: medwards@davisonschools.org

DOG DAYS OF SUMMER

Tammy Bartz, a canine ambassador for the American Kennel Club paid the Cardinal's Nest Lil' campers a visit last week. She was accompanied by Wally and puppy, Bernard, currently in training to become a future leader dog. The day before the visit, the children made special dog treats as a gift.
