

AP World History

Mrs. Norris

2021-2022 School
Year

AP World History is a rigorous, but FUN academic course designed to prepare students for the AP World History Exam in May. The content is similar to a college World History course, although because we have an entire school year, we get to cover history from 1200 CE to the 2000s. Students will receive credit for a college Introduction level world history course when they receive a acceptable score on the AP Exam.

In the last 3 years, nearly 90% of Southside AP World students passed the exam!!
