

ONEIDA - HERKIMER - MADISON BOCES

School & Business Alliance

Our Mission

The mission of the School and Business Alliance (SABA) is to provide career development and work-based learning experiences that inspire and enable students to make informed decisions about post-secondary and career opportunities.

Our Vision

The School and Business Alliance promotes partnerships with business enterprises, labor, community agencies, component school districts and regional colleges that forecast emerging workforce needs; enlighten students to 21st century power skills and citizen responsibilities; provide career development experiences that connect students with industry professionals; and empower students to successfully transition into post-secondary studies and career pathways.

School & Business Alliance

Career Development: Grades K–12

Career Specialists team with classroom teachers to broaden students' awareness of personal and professional skills that are transferable to the workplace.

Career Speakers: Grades K–12

Our business partners visit classrooms on a regular basis and participate in Career Days to share information about career opportunities and job skills required.

Career Days: Grades K–12

Career Specialists coordinate with local businesses to provide students with the opportunity to network with community professionals.

College Admission Rep Visits

School to Career Programs can arrange for colleges and universities to visit school districts for information sessions.

College Tours and Activity Days: Grades 8–12

Students become acquainted with college campuses and meet with admissions and financial aid representatives.

Business Tours: Grades 9–12

Students visit work sites, learn about careers and job skills, and understand how their studies relate to 21st century skills.

Summer Work Opportunities: Grades 9–12

The School and Business Alliance and Oneida County Workforce Development partner to provide paid, work-readiness opportunities for students.

Career Shadowing: Grades 11–12

Students spend a full day (4 hours) in a worksite shadowing experience. Shadowing helps students gain real-life experiences and learn first-hand about the careers they are considering.

Career Internships: Grades 11–12

Students who participate in career shadowing will be given the opportunity to extend that experience into a 20-hour internship.

Links to Success

This link was created for counselors, teachers, students, and families to explore current career fields, connect to the workforce, and understand pathways to achieve training for employment. This is a user friendly tool which allows individuals to explore, make informed choices, and apply for employment. www.oneida-boces.org/linkstosuccess
