Picking up your child requires a photo ID. Please do not park in the bus lane after 2:30 pm to avoid being blocked in by the buses.

Please use the parking lot and crosswalk.

If there are any changes in transportation for your student that day (that they are unaware of), please notify the office before 3 pm.

This timeline allows us to communicate these changes to the teacher, while also supporting the daily routines and processes that occur during this busy part of the day.

Student Checkout:

Please note that if you need to pick up your students from school, we do not call them out of class until an adult shows ID.

After 3 pm, it is difficult to check out students. If parents need to check students out early for an appointment, please avoid the 3:00-3:15 pm timeframe.

We appreciate your partnership with us in ensuring the safety of all BCMS Mustangs during dismissal!

Cell Phone Policy

While personal electronic devices (cell phones, etc.) have become a part of our student's daily lives, a large and growing body of evidence is pointing to the harm caused by the amount of time students use personal electronic devices and social media each day. In order to fulfill our role to take care of students, and minimize the distractions caused by such devices in the school setting, the rules listed will be in place at BCMS for the 2023-2024 school year and will be presented to our students once school starts.

If you need to contact your student during the day due to an emergency situation, please call 816-986-3175 and a message can be delivered to your student.

Mustang Ready

The school day is defined as anytime between the beginning of the first period and end of the last period of the day. Personal E-devices shall be secured in a student's assigned locker and are to be powered off.

Should the need arise for a student to contact parents during the school day the main office phone, courtesy phone or the classroom phone should be used for such a call.

Should the need arise for parents to contact their child, the main office phone should be used for such a call (816-986- 3175). Parents may also email their child anytime using the student's LSR7 email address.
